Hello Fellow Lions, Lioness and Leo's,

Lion Brenda and I would like to express our heartfelt thanks for your support this year. It has been a privilege to meet with so many of our 22D Lion's family. We will cherish these moments forever. I will always have a special place in my heart for the road warriors: DGE Glenn Williams, 1VDGE Charles Taylor, 2VDGE John Burris, AA Jack Bauer and (the cat herder) Secretary Janet Bauer. I love you all. I would like to recognize the cabinet officers and the committee chairs for a job well done. With your combined efforts, we have had a great year. We can truly say that we are proud to be Lions.

I would like to thank Lion Tee Bell and committee for an excellent Leadership Training School this year at DSU. Thank you for all the club officers that attended in order to support your club for the upcoming year.

This month I also had the privilege to attend Special Olympics Opening Ceremony. OMG! I had no idea what a wonderful event this is. To be paired up with a team and walk into that stadium and everyone cheering is awesome. The following day we worked at Healthy Athletes Program. We had a lot of Lions that volunteered their time. After being involved with the program this year, I hope to do this every year from now on. In the program book on page 33 is a wonderful picture of Winnie and Barbara Spence.

Next is the Blue - Gold Football game. I will be attending the banquet on Friday night to present 2 plaques and represent Lions of 22D. On Saturday, the Lions will have a tail-gate party before the game so come by to say hello. While you are there at the game, enjoy the afternoon with our Lion Family.

**Fellow Lions I want you to read this very carefully. As I am writing this letter, our District membership is equal to last year's numbers. As I have done in every district bulletin this year, I have given a report on our membership. The current number for the district is 1247 members. We are plus **1** member from the beginning of the year. We need **3** members to get us back to the minimum of **1250! Wouldn't it be nice to add 6 or 8 more members and not drop members in June, which will set us back? We have a real chance to end the year with a positive growth. We all need to make it our personal obligation to increase membership. The district needs your help!****

Thanks for letting me serve this great organization.

Yours in Lionism,  
James R. Coverdale  
District Governor

## Vice District Governor Remarks

### The Power of Service

Fellow Lions,

This is the final newsletter for the Lion Year 2015-2016. It has been a very rewarding experience. The Lions of 22D continually live our motto "**We Serve**".

Our Multiple District Convention held in Hagerstown, MD in May was a success. It is always nice to meet Lions from the other districts. Lions were honored by the presence of the International President Jitsuhiro Yamada.

The Sub-District meetings for 22D concluded with the election of district officers. I want to congratulate FVDG-Elect Charles Taylor and SVDG-Elect John Burris. I especially want to thank the district for supporting me. I am honored to be the District Governor-Elect and look forward to working together in 2016-2017.

In June we held our leadership school on the campus of Delaware State University. Thank you GLT Lion Tee Bell for coordinating this event. A big thank you to all Lions who stepped forward to help coordinate, instruct, and attend the various classes. Another thank you to Lions who accepted leadership positions in their clubs and in the district and multiple district.

Lion Gail and I are leaving for Japan to attend the International Convention. We are looking forward to this big event.

Best Wishes for a happy and safe summer.

**Believe In The Power of Service**

DGE Glenn Williams

### Moving Forward to Score

Hello Lions, Lioness and Leos:

The year has gone by very fast and was enjoyable. I have had lots of fun visiting all the clubs in our district; everyone was very kind and welcomed the cabinet enthusiastically.

Multiple District 22 Convention was held this year in Hagerstown, Maryland. It was an informative and delightful event, but boy was there a lot of walking involved! We stayed very busy with the meetings and functions and had lots of food throughout. Meeting International President Yamada was a highlight and a great honor; he had such a friendly and welcoming demeanor. Our next Multiple District 22 Convention will be held in Gettysburg, Pennsylvania. Come and join us to meet lots of other Lions from various districts.

This year has been an adventure! The reasons are DG Jim Coverdale, FVDG Glenn Williams, CS Janet Bauer, AA Jack Bauer and CT John Burris! This cabinet was a delight to work with throughout the year! Look at the number of Lions we have in District 22D.

Don't forget the USA/Canada Forum in Omaha, Nebraska in September. Keep a look out for a sign up sheet for the breakfast at the Forum; if you can't find it, get in touch with Lion Cheri Bragg.

Thank you all for the year in Lionism,

SVDG Charles Taylor

### Fenwick Island Lions

On May 26th our club was able to present \$12,000 in scholarships to ten IRHS Seniors. See Publicity article on pg 21.

The pancake breakfast at Harpoon Hanna's, Saturday, June 4 was a colossal Lions event. The restaurant was buzzing with Lions at 6 AM. The crews were setting tables, wrapping silverware, making coffee, and coordinating all the logistical set up. The weather cooperated to bring in a big crowd. The early planning activity paid off as the first guests arrived before 7 AM.

By then, everything was in place, with two lines serving all you can eat pancakes, eggs, bacon, sausage, juice, and coffee, all you can eat. The serving went very smoothly and many customers complemented the servers.

One of the best parts of the day was the support by the LEO Club of Indian River high school. They bussed tables, served coffee, help to seat customers, and did a myriad of jobs. In the three-plus hour period we served more than 275 meals! What an incredibly well coordinated effort, thanks to Lions Jim Stone and Bob Pretty, and the all out effort of club members and LEOs. It is true, together, we do make a difference! Thanks also to Harpoon Hannah's, their crew and management for assisting in this annual event.

Volunteers are needed to sell Operation-Seas-the-Day merchandise at the Sunday morning Bethany Farmer's Market, beginning in mid-June, through the end of July. ## Starkey Hearing Foundation

Many people struggle on a daily basis to participate in life around them. For many an inability to hear well makes life an ongoing challenge. For some, isolation, depression and loneliness are constant companions because they cannot hear. They wish for something different, but they do not know where to turn. **The Starkey Hearing Foundation may be able to help you brighten many futures by providing hearing aids to those who need them but have no other way to acquire them.**

Hear Now is the US program of the Starkey Hearing Foundation. As such, Hear Now serves low income individuals who permanently reside in the US who have no other resources to acquire hearing aids. Anyone having any benefit for hearing aids, in part or total, through VA, an insurance plan, Medicaid, a state or any other program, will not qualify for Hear Now service.

As a **financially based program Hear Now** considers income and assets for all those in the household.

All interested parties are advised to call Hear Now to discuss eligibility before completing an application for assistance. Not everyone will qualify for the program's assistance so making this phone call is highly recommended.

Hear Now works with local hearing healthcare providers throughout the US who volunteer their time and service to test, fit and follow up on the patient and their adjustment to the hearing aids. The applicant is responsible for finding a provider in his/her area to provide the professional services through the process.

There is an application processing fee of \$125 per hearing requested. When an application is approved, aids are given to the applicant at no additional cost. The hearing aids provided are Behind the Ear models and are new. Custom hearing aids are not provided by Hear Now.

*Please feel free to share this information with fellow colleagues and other professionals in your network.*

To learn more about the program, or request materials for the program, call Hear Now at 800-328-8602.

### Lord Baltimore Lions member honored at Lions District Convention

May 28, 2016

Source: Submitted

District Cabinet Secretary and Lord Baltimore Lions Club member Janet Bauer is pictured with Jim Coverdale, District 22-D governor, who nominated her for the Presidential Medal for Outstanding Leadership Award.

Lord Baltimore Lions Club Secretary Janet Bauer was awarded the Presidential Medal for Outstanding Leadership by Lions International President Dr. Jitsuhiro Yamada at the 94th Multiple District 22 Lions Convention held recently in Hagerstown, Md.

Bauer, a resident of Ocean View, was honored for her outstanding work this year serving as cabinet secretary for Lions District 22-D. She was nominated for this prestigious recognition by James Coverdale, district governor of 22-D.

After receiving the medal and a proclamation from Yamada, a neurosurgeon and a member of the Minokamo Lions Club in Japan, Bauer shared with other Lions how special it was to meet the international president. Bauer has been a member of the Lord Baltimore Lions Club for 10 years.

Over 500 Lions, Lioness members and Leos from Delaware, Maryland and Washington, D.C. attended this year's District 22 Convention. This annual event includes meetings, seminars and workshops that address key areas of Lionism. Each year, there are

multiple opportunities during the convention for Lions to learn and share best practices to better serve the needs of citizens in their communities. For more information, go to [lordbaltimorelionsclub.com](http://lordbaltimorelionsclub.com) or call 302-537-5175.

### Fenwick Lions award \$12,000 in scholarships to IRHS seniors

Each year, the Fenwick Island Lions Club sets aside a significant percentage of its annual budget in order to recognize the achievements of outstanding seniors at Indian River High School. But, this year, the Lions had a particularly difficult time deciding the recipients, they said, as a result of tight funds and an extraordinary group of applicants.

According to club President Bruce Schoonover, "There never seems to be enough money available to properly reward the candidates, but this year was particularly difficult, because we received resumes from 13 unusually qualified and accomplished applicants and had only set aside \$5,000. This forced our Scholarship Committee to go back to the club in order to secure an additional \$3,000, and club members and others stepped forward with another \$4,000.

"I am very proud of our efforts to recognize the accomplishments of these young people and only wish we were in a position to do more," he said.

The Scholarship Committee, consisting of Schoonover, chairman John Furlow and Lions Bob Pretty, Sharon Schoonover and Lee Summerville, met with the applicants in late April. In awarding the scholarships, the committee considered academic standing, financial need, community service involvement, extracurricular activities and the applicant's ability to communicate.

Schoonover and Furlow presented winners of the club's awards at the annual Indian River High School Awards Ceremony on Wednesday, May 25.

Receiving the \$4,000 scholarship, named to honor Furlow, was Caroline Lingenfelter, daughter of Mike and Joelle Lingenfelter of Selbyville, who will attend Liberty University in the fall, as an education major with a career goal of becoming a teacher.

Brooke Beam, daughter of Mark and Tami Beam of Fenwick Island was awarded a \$1,000 scholarship named in honor of the founder of the Fenwick Island Lions Club, Noble Simpson. Beam will attend the University of Richmond, where she hopes to begin a long journey of higher education, with the ultimate career goal of becoming a physician.

Aline Check-Guzman, daughter of Esmerelda Garcia Guzman of Frankford, received a \$1,000 scholarship named in memory of Skip and Ce Higgins, a longtime member of

the club and his wife. Check-Guzman plans on attending Wesley College in the fall, where she will pursue her interests in both psychology and Spanish.

A \$1,000 scholarship in memory of Keith Pretty was awarded to Gunnar Moldrik, son of Laura Cook of Ocean View. This fall, Moldrik will begin his studies at the Citadel in South Carolina. He will specialize in the sciences, with a goal of becoming a Marine officer specializing in cyber-security.

A \$1,000 scholarship was given to John Douds, son of John and Andrea Douds of Selbyville. Douds has been ranked first academically in his class throughout high school, is an Eagle Scout, and this fall will enter the University of Delaware, with a career goal of becoming a physician.

Emma Engel, daughter of Robert and Christina Engel of Selbyville, received a \$1,000 scholarship. She will begin her studies at Loyola University and, while keeping her options open, she ultimately wants to work with children.

Madison McCabe, daughter of Kyle and Wendy McCabe of Frankford, received a \$1,000 scholarship and will be traveling to the West Coast this fall, where she will begin her studies at the University of San Diego, with an ultimate goal of becoming a veterinarian specializing in marine mammals.

Receiving a \$1,000 scholarship was Madison Mercer, daughter of Michael and Sandra Mercer of Selbyville. This fall, Mercer will begin her studies at Nova Southeastern University. She has already become a certified nursing assistant and will pursue studies to become a registered nurse, with aspirations of one day becoming a physician.

A \$500 scholarship was presented to Katherine Whaley, daughter of Chris and Ann Whaley (and twin sister of Mary Whaley) of Ocean View. Whaley will be entering Carin University this fall, where she will further her education and her desire to ultimately enter a field that can benefit from her desire to help children and the less fortunate.

Also receiving a \$500 scholarship was Mary Whaley, daughter of Chris and Ann Whaley (and twin sister of Katherine Whaley) of Ocean View. This fall, Mary Whaley will enter Eastern University of Pennsylvania and, like her sister, has a desire to help children and the less fortunate, aiming for a career in social work.
