## FROM OUR LEADERSHIP

## DISTRICT GOVERNOR JOHN BURRIS

Dear Fellow Lions,

Well this is number 35 for me as far as writing articles for the bulletin. I know you're saying what? – 25! – but I have been writing them from the start as Second Vice. With each article I have written over the years I am always truly humbled by the work that the Lions of 22D do for this district and the world.

So come on and jump aboard the SS 22D Courage for another trip of where I have been and where we will go.

To start this trip off, the cabinet and a few other Lions went to Legislative Hall on April 9th for Lion's Day in Delaware. That has been so much fun to attend over the past few years. This year was really special because of one of the sponsors for the resolution was Representative Earl Jacques, or as he is known in the Glasgow Lions Club, Lion Earl, plus the fact that the Senate and the House allowed me to speak as to what Lions are doing around the world and in Delaware.

The next port that we as Lions stopped at was the LVRF Breakfast. As always the food was great, but the important part was to hear the message that was given that morning. Doctor Goldstein delivered great information as to how the monies that we donate are put to use with much-needed research for low vision.

Another great event that the first lady and I attended was the Delaware Valley Eye Bank Luncheon. This event is held to see and hear from people that have been to the Eye Bank for the help that they give as well as hear all the new updates that the Eye Bank are doing.

I jumped ship one night and was able to attend my own home club meeting. That was a great night for me because I was able to install a new member into the club and the district. It is always a good night when we see people wanting to join to lend a helping hand for others.

I jumped right back on so I would not miss the next port that the SS 22D Courage was hitting. The port was Wilmington Manor (Winnie Spence Den) club house for the district orientation. Both PDG Bob and PDG Cheryl Jones do such a wonderful job letting all Lions, new and old, know what the makeup of the whole organization is and how it works. I even stated I have been going to these events for the past twelve years and I have learned something each time. So I salute both of you for a job well done. The SS 22D Courage stopped off at the restaurant Rudy's in Harrington for what I thought was a very warm night among the PDG's of this district. I had gotten invited to the last honorary meeting for this lion's year. All that were there had fun and made it a great night for the first lady and myself.

The last port that I stopped at before the big convention was the 4th cabinet meeting. This meeting is the biggest meeting and the longest meeting but it is the best meeting in my eyes. The reason for this is that we as Lions get to hear all the wonderful things that we have done to this point in the Lion's year, as well getting to honor all the wonderful people that worked on the cabinet this year.

This year was a super year for me and the cabinet. There were so many projects and fund raisers completed for this district. Every bit of it was done in our motto "We Serve." I would like to thank each and every one of you that have been able to stand up and say "Yes, I Can Serve." This has warmed my heart all year.

The last big port call that I wish I could see everyone at is the convention. I know this was a grand event for all that attended.

May each and every one be blessed,

-- District Governor John Burriss

## VICE DISTRICT GOVERNOR KENNY VINCENT

Greetings Fellow Lions,

*History in the making!* Last month District 22-D Lions were recognized in both the Senate and House of Representatives during the 150th General Assembly in Dover at Legislative Hall. April 9th, 2019 was recognized as “Delaware State Lions Day” in the State of Delaware. The state Senators who sponsored the “Concurrent Resolution No. 15” were: Lawson, Hocker, Pettyjohn, and Wilson. The state Representatives who sponsored the resolution were: Jaques, Baumbach, Bolden, Briggs King, Dukes, Heffeman, Osienski, Seigfried, K. Williams and Yearick. Truly an honor to be a part of this event. Some of us sat on the floor with our senators and representatives, while other Lions sat in the balcony. I hope next year we can celebrate this day with more Lions and make a special day of it. If you have any ideas for next year, please share them with me.

*MD22 Convention this month:* As I sit here writing this letter in early May, I am thinking of the convention. I am so excited and looking forward to seeing everyone from the Multiple District. The new friends I have made and seeing old friends from up and down

the State of Delaware has been so rewarding. My “family” has grown exponentially. I want to thank my “family” for all you have done to lead me to this point in my life.

*Lion in the spotlight!* I had the pleasure of meeting Lion Scott Michels of the Bellefonte Lions Club. At the Lions Quest session held recently, Lion Scott shared his “Dead Starfish Beach” slide presentation. It was wonderful how he related this story to Lions Quest. The word is that Lions Clubs International may incorporate this presentation into the Lions Quest program in the future. Congratulations on a job well done.

*Trivia question for this month!* What is the website for District 22-D as seen in the Roster book? This time the 5th person to email me will be the winner. Good luck to all! Last month’s winner was no one. That’s right, no one replied, and the answer was in the same letter. Oh well! I guess everyone was busy with service projects. I will gladly use the \$20.00 gift card.

June 5: World Environment Day

# Campaign 100

A Campaign to Empower the Service of Lions

## Leo Service Grants, Empowering Leos to Create Large Impact

Leos can apply for LCIF Leo Service Grants, which fund direct service activities. The grants allow Leos to reach more people and make a greater impact than they could on their own. Eligible projects should be service-focused and have community-wide impact.

Do you know of a Leo club that could use a grant to make a change?

## \$300 Million / \$97,669

**Congratulations – District D has doubled what was donated all last year!**

The bar has been set high by LCIF for District MD 22 – D and as of June 6, 2019, the district has donated \$68,021.34 toward this year's LCIF goal. There is still time left in the 2018/2019 Lion Year. This new donation figure is more than what was donated all the previous year. The best way that Lions can help the victims of the floods in the Midwest is to donate to LCIF and this year make a personal pledge to "Campaign 100". Where there is a need there is a Lion ready to help!

The Honorary Committee Challenge headed by PDG Jim Minnich and PDG David E. Jones have asked all 36 PDG's to pledge \$1,000 toward "Campaign 100" and 11 PDG's have pledged already. Also, twenty-one other Lions have made their pledges. See the Lion Wall of Honor below. Please, make sure that you let me when you have made a "Campaign 100" pledge.

Thank you all for what you have already done to support LCIF, your foundation, and what you can do to support Campaign 100.

Yours in Lionism,

PDG A. Kendall "Ken" Chew, III, LCIF Co-Coordinator

PDG Karl Gude, LCIF Co-Coordinator

## LIONS QUEST EXPANDING IN DELAWARE

On May 4th, the Lions Quest Committee hosted an informational session at the Dewey Beach Lions Clubhouse about the **Social and Emotional Learning curriculum that is Lions Quest and its effective results**. School administrators, educators, and Lions heard presentations by Lions Scott Michels and Daniel M. Elkins of Bellefonte Lions Club and enjoyed the wonderful hospitality of the Dewey Beach Lions Club.

The event was made possible by a \$1,500 promotional **grant received from LCIF by the District**, and has shown fruits in **the form of a Lions Quest pilot program at Lord Baltimore Elementary School this coming fall**. Congratulations, Delaware Lions, on bringing life-changing Lions Quest

learning to ever more Delawarean children!

## **NEW PARTNERSHIP: OUR DISTRICT AND HLADE can WORK TOGETHER on HEARING LOSS**

WE HAVE A NEW SOURCE OF ASSISTANCE FOR THOSE  
THAT CALL THE LIONS ASKING FOR HELP  
WITH HEARING AIDS!

That source is: **THE HEARING LOSS ASSOCIATION OF DELAWARE, aka HLADE**. This association is an affiliate of The Hearing Loss Association of America, which has almost 300 chapters throughout the U.S. **Their mission is to offer help and hope to people with hearing loss.** In 2017, HLADE helped over 500 Delawareans. The association has helped our club obtain hearing aids for two people at no expense to us.

The association in Delaware is headed up by audiologist Linda Heller, a very knowledgeable person. Linda presented a fascinating and thorough session on hearing loss at the MD22 Convention in May that taught attendees many surprising facts about how many people suffer from hearing loss, and how

many exciting new technologies are emerging to help such people.

As Linda said to me, the Lions should be the last place people should need to turn to for financial aid for hearing aids; she has many other sources they can go to. When someone does call looking for hearing aid help, please direct them to Linda (Heller) at 302-276-0956; they should leave a message at that number, and then she will contact them to arrange a screening and interview. This certainly relieves of having to do important 'leg work' that we know little about.

Both PDG Mary Lee and I are members of HLADE, and it is an amazing source of info and help to those needing assistance with their hearing loss. For example, I also recycle my hearing aids through Linda; she always does her best to reuse them by handing them on to someone else.

Please call me at 302-738-4724 if I can help, and please remember to use hearing protection when cutting the lawn. A lawn mower generates 90 decibels of loudness!

### **CALLING ALL PIN TRADERS AND ENTHUSIASTS:**

After 40 years of collecting and trading, Lion Bill Sour is reducing his collection by 90% and will be selling the pins individually. He has tried to collect all the US MD pins, MD pin club pins, and MD pins from a few select countries outside of the US. He has a very nice collection with many variations.

Those interested are asked to send him their want lists either by email or regular mail. Requests are being reviewed first come, first served. He will respond with a price quote that includes shipping for the pin(s) that are available. After agreeing on a price, payment can be made by check or PayPal.

**PRESIDENT'S MESSAGE:  
DEVELOPING PARTNERSHIPS**

## PRESIDENT'S MESSAGE

### Pursuing New Horizons with International President, Gudrun Yngvadottir

**Dear Lion,**

Big solutions require a lot of support. Your Lions have already accomplished so much, but with the support of like-minded and knowledgeable community partners, we can think bigger. That's why developing the right partnerships is so important to our service.

Your community is full of experienced professionals and organizations who are just as committed as you are to making a difference. Their skills and expertise can complement your own to increase the effectiveness of your service, bringing lasting change to the people around you. Remember, good things happen in good company.

In friendship,  
**Gudrun Yngvadottir**  
Your International President

### Developing Local Partnerships

A good partner can help us do more than we can alone, but finding the right partner isn't always easy. That's why we've developed the resources to help your club find a partner who's right for you.

When you download the Club and Community Needs Assessment, you'll discover how to [determine your community's needs](#) and identify opportunities for service. Then you will learn how to [develop local partnerships](#) that can help you do more than ever before.

### Bigger Than Me

Big solutions often start with small ideas. Just ask Lion Nancy Messmer and her husband Lion Roy Morris of the Clallam Bay Sekiu Lions in Washington. Inspired by the life's work of a Seattle environmentalist, they helped unify

the partnerships that form the Washington CoastSavers, an alliance of more than 1,000 volunteers who are dedicated to cleaning up the US Pacific Coast.

[Read their story](#) and learn how one group of Lions have transformed their partnerships into something bigger than they could ever have imagined.

A woman with short brown hair, wearing a yellow Lions Club International vest over a black long-sleeved shirt, is holding a large white sign that features the Lions Club International logo. The logo consists of a large letter 'L' inside a circular frame, with the words 'LIONS' at the top and 'INTERNATIONAL' at the bottom. The woman is smiling and looking down at the sign. In the background, there are trees and other people, including a child in a red and yellow vest. A small Lions Club International logo and the text 'Lions Clubs International' are visible in the bottom right corner of the image.

A MESSAGE FROM YOUR INTERNATIONAL PRESIDENT

## Service Grant Deadline Extended to June 30

The Service Grant Initiative deadline has now been extended to June 30. That means you have nine more weeks to recruit new members to your club and qualify for this grant opportunity. Invest directly in your new members, and make their first year a memorable one.

As a reminder, here is how the service grant works:

### Add new members between April 1 and June 30

Clubs will have the opportunity to receive a special grant for all new Lions reported during between April 1 and June 30.

### Apply for a grant beginning in July

Officers of eligible clubs will receive the application via email in July to apply for a Service Grant for New Members, which awards a total of US\$35 for each new member in two installments on December 31, 2019 and June 30, 2020 club statements if new members stay active. Clubs become eligible to apply by adding new members who pay entrance fees between April 1 and June 30.

### Engage new members

Funds should be used to plan activities that will engage new members in service so they have a great on-boarding experience in your club.

## 5 REASONS TO SERVE IN MILAN ADD HERE

**1. Unlike viewing Leonardo da Vinci's "The Last Supper", you don't need to reserve a ticket to serve.** Stop by the Exhibit Hall on Sunday, July 7th to assemble a hygiene kit for those in need!

**2. Packing something in your suitcase for donation counts as service—and it's so easy to do!** A collection bin will be available in the Exhibit Hall throughout convention. The following donation items (new items only) will benefit Opera Cardinal Ferrari and City Angels:

- Underwear (men and women)
- Undershirts (men only)
- Socks (men and women, cotton socks in any color except white)
- Unopened packages of feminine hygiene products (tampons or sanitary napkins)

**3. You can only eat so much risotto.** How about serving some to those who really need it?

**4. Italians do everything in style.** Service is not an exception.

**5. Service is why you became a Lion!** [Click here](#) to view details of the service projects available during convention. At the time of writing, *Projects in italics* below are *Sold Out!*

### Service Projects in Milan:

Food Distribution (food pantry), Park Clean Up 1, Dragon Boat Racing, *Meal Service (soup kitchen)*, *Rise Against Hunger (international care packages)*, *Park Clean Up 2*, *Therapeutic Clown Project*

### **Letter From A Lion Concerned For Lions' Safety and Security**

Shootings have not stopped in America and will not until mentally ill people can be identified and receive help. At our Lions Club meetings or district events, we may look like an easy target. There is little or no security at our events. We are generally older, slower, and less likely to defend ourselves. In our area, churches are looking at physical security of their venues, and are also asking retired police officers who are members of the church to work security during

services while armed just in case the church is targeted. They have a plan and are not totally defenseless.

Here below is a reference card from Homeland Security I have included in this submission to inform or reinforce training or information our Lions may have received, as I don't think I can recall such information having been in previous bulletins or in Lions training available in the District. What an appropriate topic this would be for a symposium at convention or leadership training!

Paul Bolton 301-774-5084, Lord Baltimore Lions Club

**When law enforcement arrives:**

- Remain calm and follow instructions
- Drop items in your hands (e.g., bags, jackets)
- Raise hands and spread fingers
- Keep hands visible at all times
- Avoid quick movements toward officers, such as holding on to them for safety
- Avoid pointing, screaming or yelling
- Do not ask questions when evacuating

**Information to provide to 911 operations:**

- Location of the active shooter
- Number of shooters
- Physical description of shooters
- Number and type of weapons shooter has
- Number of potential victims at location

**For questions or additional assistance contact:**  
Your local law enforcement authorities or FBI Field office :

Department of Homeland Security

Washington, DC 20528

## ACTIVE SHOOTER EVENT

QUICK REFERENCE GUIDE

An "active shooter" is an individual who is engaged in killing or attempting to kill people in a confined and populated area; in most cases, active shooters use firearms(s) and there is no pattern or method to their selection of victims.
