

ALL REPORTS, 2ND CABINET MEETING, 10-21-15

Region 1 Report

First, I'd like to thank District Governor Jim for the confidence in me by asking me to be the Region 1 Chair.

There are 12 clubs in the region which encompasses all of New Castle County.

Unfortunately, only 2/3 (8 out of 12) of the clubs in the region have reported any service activities so far this year. Considering that I think the remaining clubs have started the year off great. The 8 clubs reporting have reported 1,987 service activity hours and donations of \$41,554.

Some of the clubs have been busy fundraising and several are selling the Car Raffle Tickets for the Milford Lions Club. Two of the clubs, Claymont and Talleyville-Naamans, partnered together doing white cane days in late September.

Eye Glasses are being recycled, Vision Screenings are being done and Eye Exams and Glasses are being provided to those needing the assistance. Scholarships are being awarded and clubs are gearing up for the Peace Poster Contest.

One club is already actively supporting the Special Olympics. Two of the clubs have some of their members doing the phone surveys for LOVRNET.

Upcoming fundraisers in the region include Claymont's Pancake Breakfast on October 31st and Brookside is having a Beef & Beer Fundraiser for Leader Dog on November 14th. New Castle Hundred is sponsoring a Halloween Parade on October 30th.

Now, for Membership in the Region; I am happy to report membership is up by 2!! Delaware City and Wilmington Manor have each inducted 1 new member and New Castle Hundred has inducted 2 new members.

Each Zone has had a successful Zone Meeting and the Region is having a Region Meeting on November 12th instead of each of the Zones having an individual meeting.

Work has already started on the Region 1 Christmas Party for the Blind and Visually Impaired to be held on December 12th in the auditorium at Wilmington College. Approximately 675 Invitations were mailed earlier this week by BlindSight. We have Entertainment and a duo for Master of Ceremonies.

The Waterfall in Claymont has been contracted for the Leader Dog North dinner on March 21st.

Respectfully Submitted,

Gail Krebs

Region 1 Chair

Region 2 Report

Region 2 is up and running.

First the bad news:

Not many reports from only one club. A few clubs do not have Club newsletters yet

Membership is down 7 members since June. However I have heard from a number of clubs that they will be inducting new members and membership drives are underway.

Now the good news:

Due to the fantastic job by KL Tish Levan of the Murderkill Lions Club, the region 2 Christmas Party for the Blind is well in hand. We will meet at the Harrington Moose Lodge on Dec.3rd.

Region 2 accomplishments:

- Eyeglasses and exams \$4166 Eyeglasses collected 728 pairs
- Funds raised \$22,000 People served 476
- Sight screening 198 Lions hours 1,711

A lot of these numbers will increase in the 2nd quarter of the Lions. Please ask your clubs to report everything they do.

Region Chair Robert Craig

Region 3 Report

The status of all clubs in our Region is good. There have been some issues around the monthly reporting, especially from those clubs that are “technologically challenged” -- but that is not an indicator of club strength.

The Zone 1 meeting held in the Dewey Beach clubhouse was exceptionally well attended – approximately 30 Lions & Lioness – from all clubs in the zone. Clubs presented impressive lists of summer activities.

The Zone 2 meeting was in the home of Zone Chair Tom Spires. Attendance was sparse with 2 clubs missing and the others having only one representative present. An issue was raised at the Zone 2 meeting regarding web page timeout problems when entering club activities on the International web site. This was seen by several club secretaries. It was set as an item for follow up with the IT staff in Oak Brook. ZC Tom suggested creating a zone level marketing/advertising campaign – each club already does their own promotions. I expect to hear more about this item.

A short summary of region club highlights includes:

- Leo bash hosting
- Apple Scrapple participation
- Boardwalk Buddy Walk
- Outstanding (club best) sales of Milford Car Raffle tickets
- Planning for and/or screening children’s vision

I have the good fortune to be working with two motivated and conscientious Zone Chairmen. They are proactive in addressing any issues that arise and are excellent at passing along any information that comes from either district or international.

Official DG visitations are proceeding – Zone 2 is nearly complete. Zone 1 visitations are coming in November.

At the time of the cabinet meeting we have dropped 9 members this year, BUT we have inducted 11 – giving us a positive +2 membership status!!

Region 3 Chair David Mitchell

Delaware Lions Foundation Report District 22-D Cabinet Meeting October 21, 2015

Delaware Lions Foundation, YOUR FOUNDATION, continues to review grant requests. So far this year your foundation has granted 9 project assistant grants totaling over \$6,300. I encourage all clubs to consider using this valuable resource to help with their service projects. Forms can be obtained by going to the DLF web site at delawarelionsfoundation.com. Any questions about grants can be handled by PCC Ralph Schieferstein.

The Auction for Sight is rapidly approaching and we need the help of everyone to help with the obtaining items for the auction. Please get items to Lion Jim Littleton as soon as possible. The auction will be held on November 7, 2015 at the Agriculture Museum in Dover.

Cook books are still available for sale at \$15.00 each. Proceeds benefit the James A. McCarty scholarship program.

The 18th annual Delaware Lions Foundation Breakfast will be held on February 27, 2016 at the Rookery North in Milford. All clubs will be given information concerning the event.

Once again the Board of Directors of your Foundation would like to thank the clubs for their continued support of the Delaware Lions Foundation through contributions by way of the Ralph Helm and Jim McCarty fellowships. Also, support of the Auction and Walk are very much appreciated and contribute greatly to the foundation.

I would like to thank all the Lions who serve on the Board of Directors for their continued dedication and hard work to make your foundation a great organization.

Yours in Service to others,

PCC Donald F. LeCates, Jr.
President, Delaware Lions Foundation

Amendment: Policy changes on eye care grants are coming. Information to follow.

Environmental Report

I have spoken to several clubs about giving a presentation on Environmental Stewardship and everyone has said that they would get back to me. I have even contacted some of them a second time. No one has turned me down but I have only given one presentation to date. Programs by district chairpersons count toward the point system and they are all free of charge. There will be two of us when I come to your club so we can get a visitation slip so this means that you won't even have to provide me with a free meal.

You can contact me by calling 284-4594 or sending a text message to 423-8752. I hope to hear from you soon.

Lion Gene Carlisle
Environmental Chair

Governor's Ball Report

PDG Karl and Lion Anne are unable to be with us tonight due to PDG Karl having complications from his surgery. He is still in the hospital but hopes to be out by the end of the week. His recovery is going to be a slow process as he is still unable to swallow and now he has a stomach peg for feeding. Not sure how long he will have this. Please keep PDG Karl in your thoughts and prayers.

He has asked that I give a report on the Governor's Ball. All invitations to the Ball has been sent hard copy or e-mailed.

Where:	Atlantic Sands in Rehoboth
When:	December 5, 2015
Time:	6:30PM Social time with cash bar Program starts at 6:30PM
Guest Speaker:	International Director Melvyn Bray
Food:	Choice of Three: Chicken, Salmon or Pork
Price:	\$39 per person

Reservations are to be sent to PCC Ralph and Lion Sheila Schieferstein and tickets will be picked up at the door –they will not be mailed.

Rooms are available at the Atlantic Sands and be sure to reference 22D Governor's Ball Block 7598 when making your reservations.

Please come out and support District Governor Jim and First Lady Brenda. It will be a fun night.
Yours in Lionism,

PCS BJ Ryder

Governor's Ball Committee

Governor's Ball Program Book

The Governor's Ball Program Book information was given out to all clubs present at the President/Secretary/Treasurer/Membership Meeting on August 26, 2015. Packets not picked up were mailed the next day to the Club President.

We asked Club Presidents to deliver the information received to their Governor's Ball Program Book Chairperson so they could get started on soliciting their communities for ads.

The response is slow on ads – remember the deadline is October 30, 2015. To those that have submitted their ads, we thank you. We encourage all of you to follow up with your clubs to be sure you get your ads sent in by the deadline. The monies made on this book help our District Governor carry out his projects for the year.

Again, thank you for supporting DG Jim.

Yours in Lionism,

Janet & BJ

PCT Janet K. Brown/PCS BJ Ryder
Program Book Co-Chairs

GLT Report

There were no presentations July - Sept. Scheduled leadership trainings are Oct. 27, Region 3 - Zone 1, Dewey Beach, DE and Nov. 5, Region 2 - Zone 1, Dover, DE.

Lion Bryant T. Bell
GLT coordinator
District 22 - D.

Honorary Committee Report

The Honorary Committee met on October 1st at Rudy's Family Restaurant and Diner to discuss the following issues:

Constitution & By-Laws – Standard Form (Ballot)
Policy & Procedures Manual (update)
Candidate for Second Vice District Governor and should we have a contest
District Training for FVDG, SVDG and Candidates for SVDG
P/S/T/M (name change)
Redistricting issues

A lot of good discussion came out of this meeting with many issues being resolved. Another meeting will be held in January to decide about the Standard Form ballot and how we can help avoid Redistricting.

Yours in Lionism,
IPDG Cheryl Jones
Honorary Committee Chairperson

Nomination Chairperson

Two (2) letters have been submitted and approved at the First Cabinet Meeting for the following positions in the year 2016-2017.

Candidate for District Governor - FVDG Glenn Williams from the Claymont Lions Club
Candidate for First Vice District Governor - SVDG Charles Taylor from the Harrington Lions Club

The Nomination Committee has received a candidate's letter for consideration for the following position in the year 2016-2017.

For the position of Second Vice District Governor – Ronald Scott from the Laurel Lions Club.

The Nomination Committee has found this candidate to meet all the requirements as established by International By-Laws, Article IX, Section 4 and is submitting it for approval.

Yours in Lionism,
IPDG Cheryl Jones
Nominations Chairperson

Cc: Candidate letter is attached, page 5.

LAUREL LIONS CLUB

P. O. Box 110, Laurel, DE 19956

September 1, 2015

Attention: PDG Cheryl Jones

This is a letter stating that the Laurel Lions Club is endorsing Ron E. Scott for 2VDG for the year 2016-2017 for District 22D.

Ron has been a Lions Club member for over 37 years. During this time he has served in many capacities such as: vice president, president (2 terms), board of directors, treasurer, membership chair person, chair person of the sports program booklet, zone chairman, and region chair. He has attended many conventions and has served as a delegate. He has received many individual awards: Lions Eye Bank Life Member, Gold Ralph Helm Fellow, James A. McCarty Fellow, Knights of the Blind, Lion of the Year, President's Award, and the Melvin Jones Fellow.

At the District Level, he was Lion of the Year for Delaware for 2012-2013. He attended the Regional Lions Leadership Institute for 2015, attended Club Officers and Lion Training School 2013, 2014. He was Chairman of All-Star Football Blue/Gold South, and Zone 3 Chairman, and Region 3 Chairman. He has attended many Multiple Conventions, and has served as a delegate and Sergeant at Arms.

Ron joined the Lions Club because he believes Lions can make a difference locally and globally. He likes to help others and assist others wherever there is a need.

Lions are groups of service-minded men and women who are interested in improving their communities. They are active volunteer leaders in the community. That is who Ron tries to be as a Lion.

Ron enjoys challenges and creating lasting friendships through working with his club members and others in the district. Ron said, "Volunteering makes me feel appreciated. It's an opportunity to give back what has been given to me. I can make life better for others by raising awareness of health care issues. The motto, 'We Serve,' is what Lions is all about."

Therefore, we (the Laurel Lions Club) give our full support to Ron Scott to run for 2VDG for District 22D for the year 2016-2017.

Sincerely yours,

Jillian Queen, Secretary

LCIF/LOVRNET Report

District Governor James Coverdale and I have set the LCIF goal for this year at \$30,000. The district has donated \$2,055 so far this Lion year. It is not unusual for clubs to make their LCIF donations later in the year unless there is a specific disaster that occurs. Remember that District Governor Jim Coverdale and I have set a secondary goal of having 100% of the 35 clubs in our district give something.

The LOVRNET continues to be put together by the LOVRNET Steering Committee. The Lion volunteers who are interviewers have done over 200 interviews this year. LOVRNET still needs more interviewers; just contact PDG Richard Merriwether or me to volunteer. Lion Lloyd Schmitz, who you all know is blind, has volunteered as an interviewer and is now fully certified to do interviews.

The Direct Services Lion volunteers provide trouble shooting for low vision devices in patients homes or transportation to help low patient make their LOVRNET eye doctor's appointments, LOVRNET is now asking each club to set a LOVRNET Committee with a Lion Interviewer and a Lion Direct Service volunteer who would be the contact persons for LOVRNET in that club. We only have two clubs in our District who have established a LOVRNET committee.

Finally, LOVRNET is asking for Lion volunteers who have computer skills that would allow them to help in scheduling low vision patients for their eye care appointments.

Your District Governor, James Coverdale will be promoting LOVRNET as he does his official visits and the Lions of District 22D are now being asked to help with this new Low Vision effort.

PDG A. Kendall "Ken" Chew, III,
LCIF Coordinator

Leo Clubs Report

District Governor James Coverdale, all Cabinet Members, Lions, Lioness, Leos and guests:

Due to the process of purchasing a home, closing on that home and packing to move, I have been unable to get thank you notes out to those who were a part of the 2015 Leo Leadership Bash. I still have hope.

It went off very healthy. The particulars:

- 1) Good attendance.
- 2) Good leadership.
- 3) Good and much help.
- 4) Financially sound.
- 5) Plenty of good food.
- 6) New design T-shirts for Leo participants.

Thanks to all of those who participated in making this occasion possible.

The Harrington Lions Club is currently working hard to get the Lake Forest High School Leo Club back up and running. Due to new administration it takes a while.

The Dover Lions Club is trying to get a Leo Club established in the Dover High School. They too, are in the same position as the Harrington Lions Club.

The best way to see that they happen is to encourage the parents you may know to support these endeavors.

We now have seven (7) Leo Clubs in the District and hope to finish the year with nine (9).

I thank everyone for their support of the District 22-D's Leo Clubs program.

Sincerely submitted
L. Keith Hinkle
Leo Liaison
P.C.C. L. Keith Hinkle

Lions Eye Bank of Delaware Valley

Sight Night is on Oct. 29th at the Modern Maturity Center in Dover. You could experience being a blind person at dinner that night.

Thank you,
PDG Jim Minnich

Lions International Pin Traders Club

The pin traders this year have awarded 4 \$2500 scholarships and the first winners were LEO's.

Thank you,
PDG Jim Minnich

Lions Quest Report

Thank you Governor Jim for this assignment of introducing and installing the Lions Quest program in the State Education and corrections systems.

How many of you are familiar with the Lions Quest program and what it is aimed to accomplish? Raise your hand ---or nod your head --- Thank you.

What? Lions Quest is a Pre K-12 Social and Emotional Learning (SEL) program used by educators in over 90 countries around the world. Quest meets.

Social and emotional skills provide the foundation for dealing with anger and frustration, preventing negative behaviors, and developing positive school behaviors that increase academic performance. What are the SEL components?

Positive Behavior –Connection to school – Anti-bullying –Service Learning –Drug, alcohol and tobacco awareness – Character Education – Service Learning by connecting school, parents and the community.

Implementing the Quest program has its cost for staff training and materials necessary for success. LCI will provide grants for the instruction if there are enough teachers and staff to make a workshop feasible. When we compare our cost for each student in Delaware to the SEED DC program in Washington, DC, our cost is minimal. The SEED DC has the 350 students housed in a \$25 million dorm with an annual cost of \$35,000 per student; however, 69% of the graduates attend college.

Two members of our Quest team are ZC Bill Walls, an active judge in the state who works with students that failed to become good citizens. Lion Daniel Young from the Clayton Club is a former Parent Educator for Children and Families with 16 years counselling experience.

Wrap – The skills learned through Quest are applicable to all students. According to the data when a school starts the Quest program, success builds in the classroom, teachers are happier, parents and community become a team.

Submitted by,
PDG Mike Mock
Quest Chairman

Lions Vision Research Foundation Report

Wilmer Eye Institute Rally THE MANE EVENT!

With our own PDG John Shwed, Mayor of Laurel, Delaware
Saturday, November 21, one month from today! 8:45 A.M. - Social Time; 9:30 A.M. – Program.

Peace Poster Contest

All clubs that are participating in the Peace Poster contest have been contacted. Posters are to be judged and the winner poster will be given to the District Governor for Multiple districts judging at the D-Social.

Posters will be given to Lions Carolyn and Jim Miles by November 9, 2015 for judging by the Rehoboth Art League on Nov. 10th.

Respectfully submitted,
Lion Marie Chew. Peace Poster Chair-- North
Lion Carolyn Miles, Peace Poster Chair – South

Additional Reports submitted electronically.

GMT Report

In reviewing stats, I note the campus club continues to slide. I am sending a note to the guiding lions to ask what is being done to help them with recruitment. I note that New Castle Hundred Club has a net gain for year of 2, Milton gain of 4, Dewey gain of 2, and Lord Baltimore, Delaware City and Capitol City all a gain of 1. The net loss for the year so far is -6. I am going to send notes to the membership chairs commending job well done for the gains. I will be speaking to the Region 2 Lions on November 11, to the Claymont Lions on October 28.

Those are firm commitments. I also verbally accepted to speak to Region 1 but that is night I fly to Chicago for Faculty School. I have asked 1VDG Glenn Williams to do the presentation. Still need to firm up that commitment.

Regarding new clubs, I am working with Dewey to form a club in the Long Neck area. I will be sending letters to towns where there is no club, asking to meet with town council. This is something we did 'backwards' in trying to get a club in Dagsboro, Frankford. Towns I am looking at are: Georgetown, and possibly the college area there, Felton, Selbyville, City of Wilmington. I am especially going to concentrate on city of Wilmington, since there is one club in the northern part of the city that has 20 members - and this is an area that is greatly under served by Lions.

I know some clubs feel that they are serving certain areas (Felton and Selbyville come to mind) but International says there are no defined service areas. I am looking at non profits that can partner with Lions in that area to strengthen the Lions commitment to the area, as well as potential new clubs.

Any suggestions or ideas are always welcome.

Respectfully submitted
Mary Lee Phillips, PDG
GMT coordinator 22 D

Information Technology Report

Your 22 D website continues to be routinely updated as District Newsletters and other updates come to the webmasters attention. Content is always added as appropriate. The need, if there is any at this time, is for relevant articles administration, organization or plans about District Activities with any supporting pictures or graphics that might apply.

The best path to recording day to day activities with pictures and write-ups is to continue the effort of the District Facebook page: *FB Tab Icon upper right hand corner of the website.*

This approach is working fine and captures current District and Club activities of immediate interest.

If anyone finds a need for a change, an update or has any suggestions please just let yours truly know. It's your website, so use it as much as possible.

Lastly, thanks again to all past & present contributors to the District 22D website. Your help is invaluable.

Lion Dick Waughtal
Webmaster... www.golions22d.org/

Leader Dog Report

The district has not received any requests regarding Leader Dogs for the Blind as of this date for the Lions year 2015-2016.

IPDG Cheryl and I attended Leader Dog Summer Visits with FVDG Glenn Williams and partner in service Lion Gail, it was a very informative weekend and we enjoyed watching the FVDG's as they learned what Leader Dog is all about and experienced walking with a Leader Dog.

Information has been sent to Region Chairs to setup Leader Dog Programs in March 2016. As Regional Coordinator for the Canine Development Campaign I can report; the campaign to date has raised in cash and pledges \$13.5+ M towards the Kennel Redevelopment campaign.

Presentations are being scheduling to clubs not visited last year.

Respectfully Submitted,

Bob Jones

Robert "Bob" Jones
22D Leader Dog Chair

Melvin Jones Breakfast Chairperson Report

January 16, 2016

Modern Maturity Center - Dover, DE

Word has been out in the District Bulletin for the past two (2) months regarding clubs presenting Melvin Jones Fellowships at the Breakfast. The Melvin Jones Breakfast invitation to the district is in the October bulletin. I will be asking CS Janet Bauer to also send the invitation to all clubs and cabinet members by email just as soon as the bulletin has been released. I am hoping for a great turnout with several Melvin Jones Fellowships being presented, and a time to learn how Melvin Jones' vision carried Lions Club International into the 21st Century.

Yours in Lionism,
IPDG Cheryl Jones
Melvin Jones Breakfast Chairperson

Rebuilding Lions Chairperson

We have several clubs in the district that are struggling with membership. Because of this issue, many are having trouble servicing their communities as well as they would like to.

To date, PCC Ralph Schieferstein and I have met with one club to discuss how to grow and expand more service projects. We felt the meeting went well and a lot of positive discussion was provided by everyone. We are trying to set up another meeting with them, but thus far there has been no response.

I have also been working with another club to help solve some problems that they are facing. So far, things are moving in a positive direction and members are working together to make their club strong again. Only time will tell if everyone is working together as a team.

I also have one other club that I plan to go to within the near future but I have not notified them as of yet.

Yours in Lionism,
IPDG Cheryl Jones
Rebuilding Lions Chairperson

USA/CANADA Forum Report

Gov. Jim,

Thank-you for the opportunity to serve as USA/CANADA Forum chair. The forum was held Sept. 17-19, in Grand Rapids, MI.

The seminars began on Thursday this year. Many new seminars were added, to include all LIONS and guests. A WALK For DIABETES was held for the first time. Each LION received a handbook, which includes everything you need or want to know about LIONS.

The annual MD-22 Breakfast was held at the headquarters hotel. We were introduced to I.D. Melvin Bray, who will be DG Jim's guest at 22-D's Governor's Ball in December.

The forum ended with a dinner and show. In fact, our own CC Ralph was a performer as well! And finally, a fireworks display over the Grand River was amazing.

The next forum will be held in Sept. in Omaha, Nebraska. If you have never been to a forum, please consider attending it.

Respectfully submitted,
LION Cheri F. Bragg
Forum Chair

2nd Cabinet Meeting Bulletin Report

Please remind your clubs to send articles/pictures/ ads or newsletters that can be copied, to besheilann@gmail.com by 10 AM on the 15th of each month.

If your club does not do a newsletter, just send articles or tidbits that you want included. I especially want to give a big THANK YOU to those clubs who are now sending in a paragraph for the Club Happenings section! We had 24 clubs represented in the September issue. SUPER JOB!!

To keep the Obituary section and the New Member section accurate; club Secretaries need to send info on those Lions who have passed away: name, and date passed away and info on all new members, as they are sent to LCI, sponsor name included, please.

Continue sending copies of recent articles about your club that have been in the newspaper for the Public Relations page. We have had many different clubs included in the past couple of months!

If there are any questions call or e-mail me.

Thank you,
Sheila Schieferstein
Bulletin Editor

Pre-School Eye Screening Report

First I would like to thank DG Jim for asking me to serve on the committee. I will not be at the meeting on Oct. 21st.

Here is my report:

Region 1 Zone 1

Pike Creek- Hockessin Lions club screened 34 with 3 referrals

Region 3 Zone 2

Laurel Lions screened 48 with 17 referrals. Are doing screening at Dunbar Elementary on 15th & 16th of October.

At the present time this all I have to report, but I know there are more Clubs working.

Lion Jim Littleton
Vision Screening Chair
