STRENGTHEN THE PRIDE

Cheryl's Message

I am a member of a team, and I rely on the team, I defer to it and sacrifice for it, because the team, not the individual, is the ultimate champion.

First, a big THANK YOU goes out to all of you who made donations (\$645 total) and gave me the momentum to 'plunge into the ocean' as a Polar Bear! The weather was great and although the cold water was shocking, I was quickly warmed knowing that it was all for a worthy cause – the Special Olympic athletes. Also, thank you to Lions Jack & Guyla Brinckmeyer for opening up the Drift Inn afterwards for fellowship, food and warmth.

As we enter into March, each club should be preparing their slate of officers for the 2015-2016 Lions year. As you do so, remember the commitment that you renewed this year; committing yourself to lead and help out wherever possible. When you are asked to take on a position – say “yes” - your club depends upon it! Then, when the notice comes out, sign up to attend our District Leadership Training session on June 6, 2015 and receive the resources needed to make you the very best you can be.

Again, we must remain persistent in our quest to find new members. Don't be afraid to ask your friends, relatives, neighbors and co-workers. Let them experience the feelings you have enjoyed when helping others. At the end of January, our membership is down by 35 members. Now if --- each club brought in one new member and we had no drops, we could, once again, regain our self-respect as a district. LCI states that to remain a district we are required to have 35 clubs with a membership of 1,250. We have the 35 clubs, but we are at 1,264 – not counting deceased members (which is 15). There is still time to get our district in the positive but it's going to take everyone's help. Let your club be the one to put us over the top! Schedule a club open house and invite prospective members to a meeting. Let them get to know what your club does. But more importantly – invite them to be a Lion!

March 8th spring ahead...Do you know people who are willing to help but there isn't a Lions club near them? Then, let's spring ahead and take action in getting a new club started in that area. Let's give others the same opportunity that we have to make a difference. Talk it over with your club and decide where you would like to sponsor a new club. Remember, more hands means more work gets done! For more information, contact myself, GLT Chair Tee Bell, or GMT Chair Mary Lee Phillips.

We Serve – Because We Care!

Cruise To Service

In January we had our 3rd cabinet meeting. I would like to thank DG Cheryl for giving me the opportunity to chair part of the meeting. Also thanks to the cabinet for approving my pin design for next year.

Can you believe it is February already? We only have 3 or 4 visitations left to do. I can honestly say I have enjoyed the fellowship at every meeting. We have the Regional Lions Leadership training at Wor-Wic Community College and the DLF Breakfast coming soon. Hope to see you there.

In March we will be busy with the District B Social, Mid-Winter Social, Bowling Tournament and Leader Dog North and South. Let's show our support for these activities.

As always, we need all hands on board to finish out the year with **ROARING SUCCESS.**

Yours in Lionism,

James R. Coverdale

1st Vice District Governor

The Power of Service to Others

The club visits with DG Cheryl are coming to a close in February. They continue to be a source of inspiration for me as each club provides support and service in their communities.

The Delaware Lions Foundation breakfast is at the Rookery North in Milford, DE on February 28th. It is another opportunity to recognize and honor two 22D Lions, PID Ralph N. Helm and PID James A. McCarty. The DLF was created to support Lions Clubs throughout 22D. Their support makes funds available for many community needs and helping clubs with grants for projects.

February is Heart Month and I know the beat goes on for Lions to **SERVE** in District 22D.

Stay warm with the shared friendship of fellow Lions.

YOUTH SCHOLARSHIP!

The Lions International Pin Trading Club is proud to announce a Youth Scholarship of US\$2,500 for a graduating senior who is the child or grandchild of a Lion or Lioness and/or a member of a Leo Club. The most important aspect of the Youth Scholarship Program is to help a young person pursue his/her education and follow their dreams.

The LITPC takes great pride in fulfilling the motto of Lions Clubs International, "WE SERVE". During the Sight-First II Campaign, the pin traders contributed US\$144,000 to LCIF. Our Scholarship Program is another example of the pin traders' slogan, "Lions First".

Selection of the scholarship recipient will be based on academic achievement, an essay stating the student's goals, a statement of reason(s) for applying and an overview of work, community and school service, and letters of recommendation. Applications and supporting documentation are to be completed and submitted to the pin trading club scholarship chairman named below by **March 15, 2015**

We encourage all graduating seniors who are the children/grandchildren of Lions or Lioness members or who are members of Leo Clubs to participate in our Scholarship Program

Lions License Plates

The Lions License Plate is only one of many unique ways that District 22-D uses to promote Lions Clubs and our commitment to Lionism. As a license plate holder in 22-D, you are given the opportunity to choose your own number rather than the Department of Motor Vehicles assigning you a number. The cost to you is only \$12 which is a onetime fee.

During District Governor Cheryl's official visitation, she gave each Club a FREE Lions License Plate which can be given to a Club Member. This is a great opportunity for each Club to show its appreciation to a deserving member as well as promote Lions throughout the state.

The "free" Lions License Plate order form must be submitted to Bruce Marvel ***no later than June 15th*** as the "free" license plates must be issued before the end of the Lions year in June.

DO NOT LET THE DISTRICT GOVERNOR'S "FREE" PLATE GO TO WASTE.

Bruce Marvel
District License Plate Chairperson

In the News: Delaware Lions Sight Team

LETTERS TO THE EDITOR

Eyeglass donations, vision clinics help thousands

Thank you Delaware. More than 3,000 pairs of eyeglasses from all corners of the state are being delivered and distributed to people in and around San Pedro de Macoris in the eastern part of the Dominican Republic.

It's a team effort — coordinated by the Delaware Lions Sight Team. People throughout Delaware, including at our summer church St. Martha's Episcopal Church in Bethany Beach, donated their old glasses. The Delaware Lions and team leader Clyde Bragg of Viola collected the glasses and delivered them to the Sussex Correctional Institution, where inmates determined the prescriptions. Then the glasses were cleaned, sorted and shipped to the Dominican Republic. That's where our volunteer team from St. Peter's Episcopal Church in Savannah, Georgia, takes over.

This is the second year St. Peter's has operated a one-week vision clinic at its sister parish in San Pedro. Our team includes ophthalmologists, opticians, translators and workers. Our experience last year confirmed the need for eye care: of the 500 children and adults we examined, nearly 20 percent would

be considered legally blind.

They had cataracts, macular degeneration and the consequences of diabetes and other diseases and conditions. We examined everyone and helped them see better. Some who had never seen a clear object now gasped when their vision sharpened and they began to realize what they missed. Imagine a lifetime of blurry, hazy vision, suddenly transformed. The sense of joy and wonder made this an unforgettable experience. It convinced us that returning was essential, but with greater capacity — we want to examine over 1,000 people this year. That's now possible, thanks to the efficiency and energy of the Delaware Lions Sight Team. And you.

*Jim Toedtman
Bethany Beach*

WEDNESDAY, JANUARY 14, 2015 | DELAWARE COAST PRESS

Fellow Lions, we received some well deserved recognition! Mr. Toedtman requested glasses for a mission in Santo Domingo and we were able to assist. This was due to a TEAM effort! You, the Lions of Delaware, deserve the thanks of every person who benefits from these glasses. You, the Lions of Delaware, are what our International President is so proud of: men and women who serve others everyday and do such great work.

Thank you for all that you do!

Cape Henlopen Leo Club inducts 105 students

The Cape Henlopen Leo Club, the largest service club in the Cape District, inducted 105 students Jan. 12. The club celebrated five years of providing community service and is proud to represent Cape Henlopen High School.

The word Leo stands for Leadership, Experience, and Opportunity.

"It was great to see a lot of the community members and families honor the hard work and dedication of the Leo Club members," said Leo Club President Coryn Cannon. "I am very proud to be a part of this youth organization."

The Cape Leo Club would like to thank Dewey Beach, Midway, Milton, Lewes, and Rehoboth Beach Lions Clubs for supporting the program over the last five years.

"It is really exciting to see the club continue to grow, and see members take initiative in volunteerism," said Leo Club advisor Michael Connors.

The Leo Club has several more community service projects scheduled for 2015, including the upcoming Spring Mulch Sale.

For more information about the Cape Henlopen Leo Club, contact Connors at 302-645-7711, Ext. 7101.

CAPE LIFE

DEWEY LIONS PLAY SANTA TO CAPE REGION KIDS

SUBMITTED PHOTO

A GROUP OF DEWEY BEACH LIONS CLUB members recently went on a shopping spree for local families for gifts for the holiday season in what has become an annual tradition in early December, a number of Lions spend an evening at the Rehoboth Beach Walmart selecting specific gifts for children.

With the help of the Cape Henlopen School District, a number of families were identified for the gifts. This year, the club had a list of nine families for a total of 37 children. Each Lion set off that night to shop for a specific family with specific ages and a wish list from the family.

At the next Lions Club meeting there was a wrapping party held to wrap each individual gift by the entire club and their guests.

MILTON NATIVE ADDRESSES MILTON LIONS CLUB MEMBERS

SUBMITTED PHOTO

MILTON NATIVE JACK HUDSON was the guest speaker at a recent Milton Lions Club meeting. Hudson entertained the Lions as he shared his views as a child growing up with a Lions member in his family. Jack's father, Richard Hudson, was a life member of the Milton Lions Club.

Hudson reminisced about past Lions fundraisers, community projects and giving to those in need. He expressed his thanks to the Lions of Milton for what they have done and what they are still doing for the town of Milton and surrounding communities.

Shown are (l-r) Lion Mary Catherine Hudson, Jack Hudson, and Lions President Dr. John Rees Jr.
