STRENGTHEN THE PRIDE

Thank you to the Laurel Lions Club for putting on such a great Banner Transfer Night and to all who attended the event. It was a great time for fellowship, meeting the new cabinet and getting back to basics. The first Cabinet Meeting was also very productive and informative. Several reports were given and members learned first-hand what it means to be a team player.

In 2017 our organization will be 100 years old. As we prepare for the "Centennial Service Challenge", LCI is encouraging Lions around the world to help reach a goal of serving 100 million people by December 2017. (See LCI website for more information.) Please take time to report your club's service activities to LCI so District 22-D can be a contributor to reaching that goal.

Secretaries...even if you do not ADD or DROP a member, you are required to access the WMMR MYLCI reporting system every month to indicate no changes. With just a little more effort we could be a 100% district.

As I close out my article to you this month, I want to wish you a safe Labor Day weekend. As you squeeze in one last trip to the beach be sure to take this newsletter with you. It's an easy read – packed full of valuable information and things to do - might even want to share it with your friends!

Cheryl Jones, District Governor

From Our Vice District Governors

Cruise To Service

Hello Fellow Lions, Lioness and Leo's,

Fellow Lions it is hard to believe that we are in the second month already. We have had turnover meetings, banner transfer, first cabinet meeting and still have the Pres./Sec./Treas./Membership this month. Where does the time go when you're having fun?

In the last newsletter, I said that Lion Brenda and I were scheduled to go to the Leader Dog Conference and visit. Lions of Delaware, all the things you have heard about the leader dog training center is very true. When you see all the programs, the volunteer network, the training center for the clients and the absolute total care of the leader dogs it is unbelievable. All I have to say is Zone Chair, Lion Ed Springer, has a bus trip to go to leader dog in October~ be on the bus.

September starts the districts official visitations to the clubs which I truly love to do. Also in September, we have an opportunity for leadership training at the USA/Canada Forum. Oh, by the way you get to go to a beautiful island called San Juan, Puerto Rico.

At the cabinet meeting we were informed that the district has lost 22 LIONS which put us back to where we started last year. We have a new program called Ask 1. Let's get to work so we can turn this around in a hurry. We still need to remember the importance of membership. In order to keep our District in good standing just Ask 1, join them up, and orientate them into Lionism.

Thanks for letting me serve this great organization.

Yours in Lionism,

James R. Coverdale

First Vice District Governor

The Power of Service

The Power of Service increases with more members working within your service area. The "Ask 1" campaign established by International President Joe Preston challenges us to do just that, ask one friend, one neighbor, one family member. The Banner Transfer celebration showed the **PRIDE** we have in our clubs. The **PRIDE** we have in our leadership. It's now time to take this **PRIDE** to our respective clubs and serve our communities. As your clubs team up to serve take **PRIDE** in what you do.

Believe in the Power of Service to Others.

I do and I know you do as well.

Club Ticket Sales for 2014-2015

The district will be selling 50/50 tickets at each function in order to help offset district expenses. Clubs will be allowed to place tickets on the tables beforehand and pick them up afterwards, if they wish. There will also be an opportunity to advertise club fundraisers at each function and if anyone wants to buy tickets then - then that's their choice. Once the meeting has been adjourned, you can sell all you want.

The only exception to this rule is Governor's Ball. **NO** tickets will be allowed to be placed on the tables or sold except for Convention raffle tickets.

DELAWARE LIONS PIN - 2014-2015

The 2014-15 Delaware State pin is now available! Since the 1974 Blue Hen Lions pin, Delaware Lions traditionally have issued historically significant pins, both individual and series. Among these have been the Caesar Rodney pin and the series of pins with the State Blue Hen, the holly tree, the ladybug, the peach blossom, the weakfish, the diamond, and the State Constitution.

District Governor Cheryl Jones has chosen and designed a pin honoring George Read as the first in a series of five pins. George Read was born in 1733 in North East, MD. At fifteen he graduated and proceeded to study law in Philadelphia. In 1754, he moved to New Castle, DE to begin a law practice. He established quite a reputation there and was appointed Attorney General before he was elected to the first Continental Congress. Delaware has always been proud of our title "The First State". We are indebted to the five signers of the U.S. Constitution from Delaware -- George Read, John Dickinson, Gunning Bedford, George Bassett, and Jacob Broom - who made us "The First State."

We encourage all Delaware Lions to purchase the first pin of this new series, at a cost of \$2.50 per pin. The sale of the pin covers the cost of the pin plus a small amount which goes into the district administrative fund. Your support of this district project is important.

"STRENGTHEN THE PRIDE THROUGH SERVICE"

One of the ways we can strengthen the pride is through service. All your club needs to do is participate in a special project that not only relates to children, but especially to children in need. You can expand on a current project you are doing or take on a new one. This project could address literacy, hunger, abuse, poverty, or in whatever way you find children in need. And remember to invite your friends and family members to participate in these service activities with you. Let them get to know what it means and how it feels to be a Lion.

Banner Transfer 2014

This year's Banner Transfer was held on July 22 at Modern Maturity in Dover. There were 197 lions & lioness present. Visitations were given from Laurel and Millsboro Clubs to those clubs with 2 members attending.

The club presidents were introduced, their club banners were on display, and our new District Officers were installed by DG Cheryl. The Home Club Banner was transferred to DG Cheryl from IPDG Mary Lee.

DG Cheryl reminded us when we SPONSOR a new member we need to make sure that we keep them involved and interested. She also explained that MUSCLE is what makes our weak clubs strong - through membership growth, understanding, service, change, leadership and excitement .

The meal was excellent and as always great camaraderie was shared.

First Cabinet Meeting 2014

The First Cabinet Meeting of Lions Year 2014-2015 was held on Sunday August 10th at the Frederica Fire House with 74 Lions in attendance. As usual, the Buffet tables were loaded with many excellent dishes and desserts.

Several reports were given, the Budget was approved and remarks from the VDG's and PID were heard.

DG Cheryl provided a unique comparison of her Cabinet to a Baseball Team, explained how we are prepared to 'play ball' and we all sang, *'Take Me Out to the Ball Game'*.

On August 20, Jim Canon from LCI will be in our district till the 25th of August.

He arrives during the day on the 20th. We (Jim and I) will be at Dewey clubhouse for zone meeting that night.

On August 21 - there will be a recruiting workshop at INDEPENDENCE HALL **at 8:30 AM**, Millsboro (Community of Independence). ALL ARE INVITED TO ATTEND. This will help you as you try to increase membership.

At 11 that same day, same location - the community of Independence will be having an organizational meeting - to start their new club.

Friday - I am working on meeting with town officials in either Frankford or Selbyville. Any help here is appreciated.

Sunday - Tee Bell is working on a Certified Guiding Lions workshop. This is an opportunity to ask questions about what this program is all about - plus to complete your workbook to become certified.

I am asking all zone and region chairs to be present as much as possible - especially on Sunday. (If the meetings go well with the towns, we may be doing some recruitment in that area to try for a potential club or branch club).

Any questions - e mail me at lionmlphillips@aol.com

Lion Olive has expressed interest in participating in this project and has also found interest in an organization willing to submit posters. The Peace Poster Kits have been ordered. We look forward to picking a winner so that it can be submitted to the District for consideration at the District level. If anyone else knows of a school or organization that would like to participate, please let Lion Olive know. This is a project that must be completed in the fall so we will need to get started as soon as possible

Both ticket sales will take place in front of Citizens Bank on 2nd St. in Lewes from 10 AM until 2 PM. This is a great way to raise money while showcasing our club at the same time!

Dear Lions,

On Sunday, a terrible tragedy occurred. A large earthquake struck the Yunnan Province of China. Authorities estimate that nearly 600 people have lost their lives from the Zhaotong earthquake, with an additional 2,800 people injured across several counties. Even more people are missing. It is estimated that more than 25,500 homes were completely destroyed, with an even higher number of houses damaged.

Lions Clubs International Foundation immediately awarded a US\$250,000 Major Catastrophe Grant with money from the disaster relief fund, allowing Lions in affected areas to immediately begin providing assistance. These funds will help meet immediate needs by providing food, water, medicine, blankets and other necessities as quickly as possible. The funds will also support long-term reconstruction and recovery.

With approximately 21,000 Lions members in China, many of our fellow Lions have been directly impacted by this disaster. We must help them as they provide relief and assistance to their affected communities. I encourage you to consider **making a donation to the Foundation for disaster relief**. Donations to the disaster relief fund are **Melvin Jones Fellowship eligible** and can make a real difference in times of need.

Thank you for your support.

Sincerely,

Barry J. Palmer

LOVERNET OUTREACH

I need to identify, in your District, those vision professionals we want to work with. They will be the ones we will invite to take the low vision training and become certified low vision specialists in your District. They include: optometrists, ophthalmologists, occupational therapists, etc. I would like Lions clubs, District leaders or individual lions to nominate eye care professionals and give me their contact information.

These invitations may be in the form of District newsletter articles, presentations at zone and/or region meeting, cabinet meetings, etc.

Based upon the estimate of people with low vision who require rehab services in your District, we need 9 eye care professionals from 22 D.

Sunday afternoon, September 28th

**3rd Annual LEO Leadership
Bash at the Beach**

Thanks largely to Laura Quillen, the LEO advisor for the Indian River High School LEO Club, we are planning for the 3rd Annual LEO Leadership "Bash at the Beach", to be held at Camp Barnes on Sunday afternoon, September 28th. We will be sending an invitation to all LEO clubs in Delaware and will be also extending a special invitation to other LEO clubs on the eastern shore of the Chesapeake Bay.

Camp Barnes is located in Frankford, Delaware. It is a wonderfully rural and picturesque site, located on the banks of Miller's Creek (pictured below.) It is home to a youth camp run by Delaware State Police.

The Fenwick Island Lions Club has agreed to oversee this year's "Bash", hopefully with the assistance of other interested Lions clubs in the state—More details will follow, but in the meantime, we wanted to let you know about this event, so you could mark your calendar!

Lions Club presents awards

Each year the Frederica Spring Creek Lions Club presents "Moving Up Awards" to three local students. This award is presented to students in third grade at Lake Forest East and North elementary schools, and to a student in fifth grade at Lake Forest Central, who have shown the most improvement in many areas for the year. From left is King Lion Cathy Draper, Steffon Henry from North, and Lion Sheila Schieferstein.

Ms. Draper stands with Cody Tolson from Central, and Lion Sue Shore.

LB Lions complete Club Excellence Process

During this past year, the Lord Baltimore Lions Club embarked on a Club Excellence Process, a formal process-improvement program developed by Lions Club International. The process involved various components of measuring community awareness, community needs and member satisfaction in order to identify opportunities for improvement.

A part of the process was performing a "Community Needs Assessment" through interviews with identified community leaders and agencies to better understand the needs of their clients and constituents and how the Lions might assist in meeting those needs.

One identified opportunity was working with the faculty from John M. Clayton Elementary School to support

them in recognizing students who have excelled. Between 30 and 45 of their students make straight A's on their report cards over each marking period, which was recognized as an ideal opportunity to reward those students and instill a sense of pride in their achievements, as well as set a great example for their peers.

Over this past school year, the Lions presented the students with an awards celebration and treats of ice cream, pretzels and pizza.

"Members of the Lions Club certainly look forward to working with John M. Clayton students and faculty on an ongoing basis to recognize them for their many achievements and support them in their specialized needs," representatives said.
