As I look ahead at the calendar, I still see a lot of great things happening. So, don't slow down yet, keep moving, and keep involved!

By now you have all been made aware of the Orientation – **Get to Know Your District** – coming up on April 25th. Please let me know who or how many will be attending from your club. Whether you are a new lion or long-standing lion, everyone will benefit. Take your new lions by the hand and ask them to come with you. (For more details, see article in this bulletin.)

Our MD22 Convention is going to be here before you know it. Let's all sign up and see if we can't set a record for the most attended convention this year. Come and meet your International President Joseph Preston, have some fun, and enjoy the seminars. This year, a first-ever service project will also take place. Bring a children's book and drop it off when you register. Help support World-Wide Service Week by giving a child a book to read!

New members are continuing to join Lions and all clubs are to be congratulated on the great work. Unfortunately, we are losing more than we are bringing in. Please ensure that every attempt is made to retain your members. Are members becoming bored, tired of inactivity, overworked or not being cared for? Take a good hard look at what you are doing. Ask for feedback and then plan accordingly for next year. Involve, inform and keep everyone interested!

If you haven't reported your club's Centennial Service Challenge goals, please do so. We have 9 clubs in our district who have already reported completion of all four service areas and will receive a four-diamond level banner patch for this fiscal year. Patches are based on the completion of youth, vision, hunger and environment projects and by reporting the activities through MyLCI.

So far this year very few clubs have been recording their club activities onto the MyLCI site. This is an opportunity to highlight the many club activities each and every club is performing. It also becomes a record of achievement, not only for your own club, but for LCI. This allows them to demonstrate to other bodies just what Lions are achieving world-wide. So Secretaries, please get busy and put your Club activities online.

We Serve – Because We Care!

Cheryl Jones, District Governor

From Our Vice District Governors

Cruise To Service

Since the third week of February I have been to the Regional Leadership training at Wor-Wic Community College, DGE Training in Boston and the DGE training in Ocean City at the District B Social. I probably now know enough to be dangerous ! I am thankful for all the PDG's that assisted me in the process of learning the ins and outs of what is involved in becoming a District Governor. Part of my job is to be a cheerleader for our district. The rest of March is Mid-Winter Social, Bowling Tournament and Leader Dog North and South. **Let's show our support for these activities.**

We have the convention coming up in May. I have a personal request for the Lions of 22-D to register for the convention and purchase the 50/50 tickets. The 50/50 tickets help pay for the convention. Please help us to fill Dover Downs to overflowing with LIONS so they see what a great service organization we are!

The last subject is membership; we need members to get back to 1300 members for District 22-D. As always, we need all hands on board to finish out the year with ROARING SUCCESS.

Yours in Lionism,

James R. Coverdale

1st Vice District Governor

The Power of Service to Others

The month of February ended on an upbeat note with a very well attended and enthusiastic Delaware Lions Foundation Breakfast at the Rookery North in Milford Delaware.

March has great events scheduled to allow Lions of 22D to meet, socialize and exchange ideas. March 21 is the Mid Winter Social. This is a great opportunity to thank DG Cheryl for her hard work and dedication to leading the Lions of 22D this Lion Year.

March 22 is the District Bowling Tournament. This is a great chance to show off your bowling skills. Some have more of that skill than others!!!

The Leader Dog Programs are scheduled for March 30 in Northern Delaware and March 31 in **Southern Delaware. These programs provide the chance to hear "first hand" from someone who has a leader dog and how their life has been changed. We get updates on new techniques and technology. 22D has a long record of being a 100% District supporter of the Leader Dog Program in Rochester Hills, Michigan. Let's continue that support. The Leader Dog chairperson, PDG Bob Jones is available to speak to your club about new and exciting activities going on at the Leader Dog Facility.**

With all of these activities and the services we continue to provide for our communities. **ENJOY BEING A LION.**

Lions License Plates

The Lions License Plate is only one of many unique ways that District 22-D uses to promote Lions Clubs and our commitment to Lionism. As a license plate holder in 22-D, you are given the opportunity to choose your own number rather than the Department of Motor Vehicles assigning you a number. The cost to you is only \$12 which is a onetime fee.

During District Governor Cheryl's official visitation, she gave each Club a FREE Lions License Plate which can be given to a Club Member. This is a great opportunity for each Club to show its appreciation to a deserving member as well as promote Lions throughout the state. The "free" Lions License Plate order form must be submitted to Bruce Marvel no later than June 15th as the "free" license plates must be issued before the end of the Lions year in June.

DO NOT LET THE DISTRICT GOVERNOR'S "FREE" PLATE GO TO WASTE.

Frequently Asked Questions:

What happens to my current plate number (DMV plate)? *The LC plate will be a second plate number registered to your vehicle and placed on the vehicle. The "old" license plate is kept in the trunk. When re-registering, you will be given 2 renewal stickers – one for the regular plate and one for the LC plate.*

What are my number choices? *LC plate #s 100 through 9999 are open to the general membership (LC 1 through LC 99 are reserved for District Governor, 1st Vice District Governor, 2nd Vice District Governor, Past International Directors and Past District Governors).*

How do I order my LC License Plate? *Complete the 1 page order form; enclose a check in the amount of \$12 made payable to District 22-D (unless you are ordering a license plate with the free application); make a copy of your registration card and mail to:*

Displaying a Lions License Plate is one of the best ways to promote The Lions and your commitment to Lionism!

Lions Eye Bank of Delaware Valley's Board of Trustees launched a Matching Funds Campaign for the Eye Bank's Endowment Fund on October 1, 2014.

The Matching Funds Campaign was developed to reach its first \$1 million milestone. The Endowment Committee has a long-term goal of \$10 million.

The Endowment Fund ensures LEBDV will provide the gift of sight for years to come. It supports continued medical growth and security in daily operations. Blowing the Whistle for 22D

Laurel Lions Den

By Leo the Lion

The other day I met with an old friend. This guy and I have been friends for years. We both have been in the same type of work, so we had a lot to talk about. Our job has been getting a message out to the community. With this in mind you can start guessing who I was talking to.

I was talking to Mc Gruff over at the Laurel Police Dept. First he wanted to tell me he heard they were having a birthday party. A party for 20 years of Mc Gruff the Crime Dog in Laurel, De. This was exciting to hear as Mc Gruff helped me with the first "Fishn' for Sight" and many more after that. The position of mascot is a very important job we both have. Making the public, of all ages, aware of what we represent is not always an easy task. Although it is something we both enjoy doing and **that makes it a fun job. You have heard me say before, 'if you could see through the eyes of a Lion you would be amazed'. Yes! those Lions can always see where there is a need "to serve" the community. Now! If you could see through the eyes of Leo the Lion, you would even see more. You would see how little people and big people take notice when they see that Leo the Lion image. It is important in public outings and parades to see mascots like Leo, to get the message out. This is important public relations to kinda', "Blow our whistle for Lionism", thank the community and keep that Lions image out there. Much can be communicated, as seeing is like a thousand words. The "Help Wanted" sign is always out at Laurel Lions Headquarters. Did you every think about being a Lion?**

The above article is one of the many weekly articles by Leo the Lion in Laurel, De. Using your Mascot is important to **"BLOWING THE WHISTLE FOR LIONISM" !! Many mascots like Leo, Mc Gruff, Smokey the Bear and Sparky the Fire Dog have been public relation tools for many years. So think along these lines to improve your club's public relations.**
