Cheryl's Message

*Even if you are on the right track,
You'll get run over if you just sit there.*

--- Will Rogers

On November 2nd, we will turn our clocks back one hour. That means we 'fall back'. As a Lion, Lioness or Leo that also means that we need to fall back or regroup. Let's remember our commitment to our club and to our organization. Let's recharge ourselves and think positively - what else can we do to make things better for others, both locally and globally?

Lions Low Vision Rehabilitation Network (LOVRNET) is about to go into high gear. Our district has 4 volunteers signed up to be certified interviewers - we would like 20. This is something you do from your own home - on your own time. If you would like to know more about the program or sign up to be an interviewer, contact: PDG Ted Ladd, Chairman, Low Vision Patient Interview Program - tedladd02@aol.com - 301-937-6796 (home) 240-381-2847 (cell).

The time is really going fast as I set out to accomplish my goals for this Lions' year. I am enjoying the club visits, giving out well deserved recognitions and inducting new members. We are slowly adding new members to our clubs and I want to send a big "thank you" to all the clubs who are doing so. My goal is to induct at least one new member in every club this year. To date, I have inducted members in four clubs. We must remember, with the growing demand of service that is needed in our communities, we need to continue to increase our membership. Be persistent, keep asking and our numbers will grow.

If you've read your October Lions magazine, you know that Rehoboth Beach Lions Club was recognized for their service project of delivering telephone directories (page 16). Also, Lion Sabie Strzala of the Brookside Lions Club was featured with her husband at the plenary session during this past International Convention in Toronto (page 26). Kudos to both.

I cannot express how impressed I am with all the great things going on in this district. Keep up the good work and keep your club visible to everyone. If we let the public see the smiles on our faces while we are working on projects, it will surely generate more members. Why wouldn't they want to join if we are having fun?

Cheryl Jones, District Governor

From Our Vice District Governors

Cruise To Service

Hello Fellow Lions, Lioness and Leo's,

In September most of the clubs started their meetings again, so we began the ride for this year. I love the visitations to the clubs. It gives me the opportunity to see all my friends because you are like family. Wherever I go, I always talk up Leo's because I believe in the program. On September 28th the Leo "Bash to the Beach" was held at Camp Barnes this year. We had all the Leo Clubs for District 22D in attendance plus one club from District 22B. The big hit was talking about their clubs and projects they do for fundraising. These young people are your future Lion's members.

This month we have the bus trip to Leader Dog, LVRF Vision Days, LVRF Aim for Sight, Second Cabinet Meeting and LEBDV Sight Night. It's going to be a busy month!

At the District W Council of Governors meeting the GMT announced our Multiple District has taken in 120 new members. The next statement they made was, our Multiple has lost 240 members! We have a new program called Ask 1. Let's get to work so we can turn this around in a hurry. We still need to remember the importance of membership. In order to keep our District in good standing; just Ask 1, join them up, and orient them into Lionism.

Thanks for letting me serve this great organization.

Yours in Lionism,

James R. Coverdale

First Vice District Governor

THE POWER OF SERVICE TO OTHERS

“STRENGTHEN YOUR CLUB AND STRENGTHEN THE PRIDE”

THESE ARE JUST WORDS IF THEY ARE NOT PART OF A PLAN AND PUT INTO ACTION. TALK TO OTHER CLUB MEMBERS AND EVALUATE YOUR CLUB. DECIDE HOW YOUR CLUB IS KNOWN IN THE COMMUNITY, HOW DO YOU WANT YOUR CLUB TO BE KNOWN? DOES YOUR CLUB DO THE SAME THINGS YEAR AFTER YEAR OR DOES IT TRY NEW THINGS? TAKE A CLOSE LOOK AND REVIEW WHAT WORKS. ASK **“WHAT CAN WE DO AS A CLUB TO MAKE OUR COMMUNITY BETTER?”** FIND OUT IF A NEW PROJECT OR ACTIVITY MIGHT BETTER RELATE TO THE CLUB MEMBERS AND THEN BENEFIT THE COMMUNITY. SHOW PRIDE . HELP **YOUR CLUB** BE STRONG AS WE MOVE TOWARD THE CENTENIAL YEAR CELEBRATION.

93rd MD-22 CONVENTION

Submitted by PDG Steve Finger,
Convention Chairman

The 93rd Lions MD-22 Convention in Dover, Delaware on May 18-21, 2015, is shaping up to be a really great convention. It will be the first time in 5 years we have been back to Delaware and the Dover Downs Hotel convention facilities have undergone some remodeling that Lions will enjoy.

The Convention 50-50 drawing tickets are a major source of funds to cover convention costs. This year we have repackaged the 50-50. This year, they are in books of 10. The price is \$1.00 for one ticket, or \$5.00 for a book of 10! This is a huge discounted price and gives you more chances to be in on the winnings.

The prizes will be drawn at the Victory Luncheon on the last day of the convention. Tickets are now available and distributed to each Region Chair for further distribution to Zones and Clubs. They will be distributed at the 22-W Social. I encourage each club to buy the allotment of tickets they will receive

Lions Clubs International **FOUNDATION**

Governor Cheryl Jones and I have set the LCIF goal for District 22 D at \$30,000 for this 2014/2015 Lion year. Last year we fell way short of the District LCIF goal of \$40,000 as we raised only \$24,097.12. So far this year the District has raised \$595.00 in the first quarter of this Lion year of 2014/2015 and only 5 of the 35 clubs in District 22 D have made any contributions. LCIF is our foundation and we need to support it.

Besides the dollar goal of \$30,000, District Governor Cheryl and I have set a goal of having 100% of the clubs make some contribution to LCIF this year. Any amount can be sent in to LCIF. The Melvin Jones Fellowship and Progressive Melvin Jones Fellowship programs continue to be the basic stream of funds to LCIF but there are other ways to contribute. Sustaining Membership pins of \$20.00 – bronze level, \$50.00-silver level, and \$100.00 –gold level are available. Also the Measles Initiative continues so a minimum of a \$10.00 contribution becomes a \$20.00 and one measles shot cost just \$1.00 each.

As your District LCIF coordinator, I am available, as my schedule permits, to visit your clubs for an LCIF presentation and I am trying to visit each Zone in the District since I can speak to more clubs.

Finally on the LOVRNET front, we are reaching out to the Lions of District 22 D to volunteer to be a telephone interviewer. You set your schedule when you would be available to interview low vision patients over the telephone and enter their information into your computer at your home. LOVRNET will train you to do this important phase of our project. Just let Governor Cheryl or me know if you want to do this service. We need your help now!

New member Dennis Berkey, with his sponsor Shirley Pennypacker and DG Cheryl (center)

Capitol City Lions

Our guest speaker for the evening of September 17th (pictured at left), was Tyreese Mayo, a Mentor Coordinator from Capitol School District. She talked about mentoring school students and how mentoring works. Her talk was interesting and informative. We have members who are interested in helping with this project.

We collected 160 pairs of used eyeglasses for recycling. Also during the month, the Capitol City Lions received 2 requests from individuals for examination/glasses.

Nine members of the club worked a White Cane Fundraiser on the 13th and 14th of September. We received donations of over \$500.00 and sold 23 car tickets for \$40.00.

Claymont Lions

Co-Chairs Lee Bird and Dick Gackenbach announce that the annual Christmas Tree Sale will begin on **Saturday, November 29** at the Claymont Fire Company Sub-Station, located at Marsh and Namaans Roads.

Chair Fred Powell has scheduled the first Pancake Day for **Saturday, October 25** at the Claymont Fire Hall.

43 Lions, 2 spouses and 2 children provided 81 2-hour coverages during our first fund raiser of the year; Fall White Cane Days. A total of 172 volunteer hours were given to the activity. Treasurer Dick Gackenbach reports that we reached a new high of income with **\$3,935.81** Congrats to all who helped! We are off to a great start!!

Club Happenings

Newark Lions

Newark Lions Club's pancake breakfast is scheduled for October 25th. (ad pg. 22) This is one of our main fundraisers. It takes place at the Newark Senior Center during their flea market, which is a major fundraiser for them. This is a great partnership that has been in place for many years.

In September, the Club voted to support a new service project for this Lions' year. We will be collecting personal hygiene products to donate to the Newark Empowerment Center located at the Newark United Methodist Church on Main Street. We will collect items and then meet on January 20, 2015 at Lion Marilyn's home to sort the items and put them in gallon zip loc bags. The following items are needed: Soap, Toothpaste, Deodorant, Hand Lotion, Combs, Shampoo, Razor, Shaving Cream, Tissues and Feminine Hygiene products.

Harrington Lions

The school supplies which were brought in at the last meeting were taken to Lake Forest South Elem. They were greatly appreciated by staff on behalf of the students. Thanks to those Lion members who donated supplies. A kind deed done. Well done!

31 Lions descended on the Harrington Raceway for the Nite at the Races. Laughs were heard through out the area as everyone enjoyed the fellowship, and food.

Lion **Sherry Clark** (pictured at right) received the Award for raising the most \$\$ for the DLF walk in Rehoboth at our Lions Picnic in August. **GOOD JOB SHERRY!!!**

Has your child or grandchild out grown their school clothes? Have you ever thought of giving them to the School? There is a need in Grades K-3 for a change of clothing for students. Accidents and spills happen and the child needs to change clothes. You can drop them off at the school nurse or bring them to the next meeting.

Midway Lions

Midway is having a **Fundraiser at The Greene Turtle** at Five Points in Lewes ALL DAY Tuesday, October 28, 2014. Vouchers cannot be handed out at the restaurant. Vouchers must be presented to The Green Turtle when you place your order. Please make a copy of the Voucher (on page 18) and take it with you to The Green Turtle. We would like to see our fellow Lions come out and join us!

Our Luncheon Speaker for Monday, October 20th is Jack Clemons who is a local author and rocket scientist. July 20, 2014 marked the 45th anniversary of Neil Armstrong stepping on the moon and planting our flag. Five more flags have been planted and Jack will tell us about what went on with those explorations. If you know anyone that might be interested, please bring them as your guest. Jack Clemons was a team leader on the Apollo and Space Shuttle programs.

Club Happenings

Laurel Lions

The weekend of September 27th marked yet another weekend of ushering at the **Nascar Races** in Dover. Thanks goes to Lion Jim Littleton and the Race Team Staff for this great fundraiser.

"Journey for Sight" is a great Walk-a-thon held at Trap Pond State Park. 2nd VP Shirley Scott is in charge of this project. It will be held on Sunday November 2. Registration is at noon and the walk begins at 1 pm.

Laurel Leo Leader, Lion Jami Gordy reported that the Leos inducted 13 new members!

Millsboro Lions

If you did not come, you missed a very informative meeting on Sept. 23. PCC Clyde did an outstanding job talking about glass collection, sorting and trips that are in the wings serving others.

REMINDER: Lion Ted has secured permission to have Vision Day collection at the Giant Food Store, Long Neck two Saturdays - October 11 and 25 from 10 to 2.

We are open at the fritter shack but desperately need help some days. (ad pg. 21)

(REMEMBER: this is how we are able to provide help to Scouts & Little League and for glasses we provide to those in need.)

Lewes Lions

On October 8 we had our Regular Meeting at Irish Eyes Restaurant. We discussed upcoming club business and activities. There was a speaker from the Jefferson Schools.

Our August 23rd Chicken BBQ was a success w/little rain.

Thanks to all Lions who helped. We had contributions from many to make this Fund Raiser - Community Event a big success

Green Hills Lions

On behalf of Emily Ruckle, an eight year old from the Newark, DE area, who suffered a vicious attack from a pit bull and has undergone serious surgery and faces a long recovery, the Green Hills Lions Club has instituted a fund of \$5,000. for Emily's future education.

We are asking all the Lions Clubs in 22D to participate in this endeavor for courageous Emily.

Please send any donations to "The Emily Ruckle Fund" c/o The Green Hills Lions, PO Box 5913, Wilmington, DE 19808

Congratulations to Bill and Bob for your accomplishments.

Thank you for all you have done for our Club and the community over the years.

Lord Baltimore Lions

Overall, we've sold about 11,000 car raffle tickets! Also impressive is the \$1,100 in donations we've received.

We will be screening students at John M. Clayton on **Wednesday, Thursday & possibly Friday, October 15, 16 & 17**. Students at Lord Baltimore will be screened on **Wednesday, Thursday and possibly Friday, November 12, 13 & 14**.

A number of Lion Clubs throughout District 22D provide the service of building handicapped ramps. Lord Baltimore has been involved doing ramps, hand rails and installing wheel chair elevators since 1988 when Lion Pat Murray joined the club. Lion Pat started building ramps back in 1983 with the Telephone Pioneers and brought this service project to our club. Over the years many Lions from our club have been involved in this rewarding experience. The one constant over the last 31 years has been Lion Pat's dedication, input and direction on 455 handicapped projects. This kind of dedication to help others is what being a Lion is all about.

Pictures taken by Lion Pat of the 455th project with Lion Jack Bauer and friend & neighbor Robert Reed.

Club Happenings

Middletown Lions

Due to unforeseen circumstances last year we were unable to complete our preschool eye screenings. Our Sure Sight device is back and we are back in business. Following are the schools and times, please call Lion Carolyn if you can help. Oct. 28 - 9-11:15 AM - Beach Babies Preschool: Nov. 3 - 9:30 AM - Children-at-Work, Rt. 301

We are still collecting toiletries for the homeless. If you go on a trip and don't use up all the freebies the hotel supplies you with, the homeless can certainly use them. Ask your dentist on your next visit you would be amazed how much they would like to help with this project. Our first year we contributed to the Sunday Breakfast Mission in Wilmington, last year to the foster/homeless children in the Appoquinimick School District. Ask your neighbors and friends for donations, most of the time these items are just sitting in a drawer.

Glasgow Lions

The crowds were large and our location on Delaware Ave, was good for our annual trek to the Newark Community Days to sell Lemonade. We were left with NO lemons and 6 glasses of lemonade at the event's closing time of 4PM. We gave those drinks to the local police officers. It is reported we collected \$773 from lemonade sales and \$23 from car raffle tickets.. A good day and a good time for all!

So far this Lion year, 750 pairs of glasses have been turned over to Lion Al.

We have scheduled our semi-annual highway cleanup for Saturday morning, October 18, in an effort to get ahead of the hot/cold weather. Lion Mark is trying to obtain some student help...there may also be some help from a local business???? The more hands we have the faster we get done.

L-R Lion Myrtle, KL Bill, Lions Tommy, Roy and Nelson work our site

Rehoboth Lions

PDG Richard Merriwether presented Lion Sally Springer with a Melvin Jones Fellowship at the September dinner meeting. Lion Sally has been a member over five years. She is serving as visitation chairperson for 2014-2015. Congratulations Sally!

PDG Richard has a great program lined up for celebrating charter night next meeting. He will have some statistics that maybe you are not aware of nor our newer members have heard. Everyone try to make it! It will be a good program for orientation for new members and long term members, too.

Laurel Lioness

We will host our first town-wide Scavenger Hunt on Sunday Oct. 26. The hunt will start at 1PM in town at Janosik Park. Cost to enter is \$10 pp or \$35 for a team of 4 or more. For more information and tickets e-mail scavengerhuntlaurel@gmail.com or call 858-8500.

Club Happenings

Frederica Spring Creek Lions

Frederica Spring Creek's recent White Cane Day at Felton Royal Farms netted us \$441. We also tried the *Boscov's Friends Helping Friends Day Passes* with a total of \$245 accumulated so far.

Our BINGO is on for November 7 (ad on pg 20) at the Milford Elks Lodge, and we are working on collection of items for our Thanksgiving Baskets.

Pre school Vision Screening will take place on Oct. 20 & 22 at Lake Forest North and Oct. 27 & 28 at Lake Forest East elementary schools. Milford club is graciously allowing us to use their new Plusoptix screener with PCC Clyde Bragg's assistance.

Fenwick Island Lions

In the past several years Fenwick Island Lions have screened upwards of 500 children on an annual basis during Preschool Vision Screening. However, as a result of changes made in Indian River School District, which involve consolidating preschool and kindergarten classes in the Georgetown area, recently we have been asked to screen some 450 children in that area alone—spread out over four days from October 6-9.

Our club made a donation last year towards this new sign at Indian River High School. The sign was a project of the IRHS Alumni Association.

Brookside Lions

Our year got off to a slow start as we mourned the death and celebrated the life of a most valued member of our club, Bob Strohl, in September. Bob was a Lion for 17 years and a past King Lion and Secretary. He was instrumental in most of our projects, especially the Christmas Tree Sales. Bob's son, Matthew, is also an active member of our club and is following in his father's shoes.

Our new King Lion, Ronnie Williamson presided over our first meeting on October 6, 2014. We were pleased to have District Governor, Cheryl L. Jones attend and induct a new member. Together, they presented 3 "Years of Service" chevrons and a Perfect Attendance Certificate.

Our clubhouse "The Den" got a facelift this year as members of the club, led by Roy Palmer proceeded to paint the outside of the building and "spruce it up". Our hamburgers and hotdogs were a big success at the Brookside Safety Day at the Brookside Community Park. Keeping safe was emphasized by Aetna Rescue Squad and the Newark Police and other community agencies.

Upcoming events are The Brookside Flea Market on October 18th, The Chicken BBQ at the Newark Senior Center on October 24th and Delaware Veterans Stand Down on October 30, 2014. Brookside Lions have donated many boxes of toiletries and given 1 Veteran an electric razor. We continue to donate clothes and medical supplies to the needy in Appalachia.

The Brookside Lions Club is continuing to grow and support the community. We hope all the clubs continue to have a great year

Club Happenings

Dover Lions

On Friday and Saturday, October 10th & 11th, the Dover Lions held a White Cane drive at the North Dover Redner's, from 8 A.M. to 7 P.M. A final accounting will come later.

Dover Lions Chicken Fry, November 1st and 2nd, at Rodney Village Shopping Center, 9 A.M. to 6PM

Lion Tee reported 72 volunteers were present at Coastal Clean up Day on Sept 20th, including 9 Dover Lions. Property Owners at Pickering Beach were thankful and provided drinks and snacks.

Lion Jerry sold 151 car raffle tickets in 2 hours for a total of \$255! Great job Jerry!

Dover Club hosted the chartering of the Delaware State University Lions Club and induction of officers on Sept. 20th. It was a great evening and a historical event, bringing on a college club. The DSU members attending were enthusiastic and put on a great show.

Milford Lions

Our Club had a very busy September, with us manning one of the MS Bike to the Bay rest stops, a number of our members helped out at Dover Downs during the Nascar Race and we were seen selling car raffle tickets during Octoberfest and Apple Scapple.

October is going to be just as busy. Our Club will be holding a yard sale on October 18 across the street from Southern States on Rt. 14. Our semi-annual Food Drive at Redners Market is scheduled for October 24 & 25. We will be holding a fundraiser at Pizza Palace on October 30.

The Milford Lions Club received the Blue Diamond Award (pictured at right) from Milford School District for our continuing support.

Milton Lions

We sold car raffle tickets at Wings and Wheels. Sales were enhanced because Amanda got the car there

We just concluded Apple Scapple last weekend. There were 17 Milton Lions involved in this effort, and we had respectable sales for our efforts, considering the weather.

Another event just concluded is the Community Calendar. Thanks to all who sold ads and sent names for birthday listings.

Here is a short video produced by our King Lion Dr. John Rees. It's a great tool to use as we kick our membership efforts into high gear. It's currently on You Tube at <http://youtu.be/epBCBOzq6j0> and shortly will be linked on our website.

Talleyville- Naamans Lions

Talleyville- Naamans had a successful Flea Market. We are now selling our ' famous' Fruitcakes and Christmas wreaths for the holidays.

We are looking forward to DG Cheryl's visit in November.

Do you read your Lion Magazine??

Who in District 22D is mentioned on pages 16 and 26 in the October Issue???

Public Relations

Blowing the Whistle for 22D

Last month I introduced myself as "Leo the Lion" the mascot of the Laurel Lions Club. In that article I explained how each week I "ROAR" in a local newspaper the Laurel Star about the Lions. The last DISTRICT 22-D article suggested each club getting their mascot to do the same and get the word out about the Lions in their community. Each month as D.G. Cheryl says "Blow your Whistle" and let them know about the Lions. Making people aware is good public relations and will help with the "Ask 1" project to grow membership. Every once in a while I slip out of the Den when no one knows. Recently I did just that and took a road tour. As I entered the different communities in 22D I observed the Lions Logos on the little poles. This is a great place to promote the Lions. If the signs are faded and old; that's the impression that is given of the Lions. These signs are free advertisement for the Lions and other service clubs all over the world. What I am "roaring" to you is to take advantage of this simple, but very good way to promote Lions in your community. How does your promotional sign look ?? , faded , grown up with weeds or unreadable ?? . Make it look good , update the sign if needed, plant a shrub or flowers by the sign and make people aware. Once people notice this, you have promoted the Lions. This will open the door to conversation about the Lions and even give you the opportunity to "Ask 1" to be a Lion

Mother grateful for Midway Lions Club

The following letter was sent to the Midway Lions Club with a copy submitted to the Cape Gazette for publication.

On Jan. 14, the Midway Lions Club visited Kids Cottage Preschool where they performed vision screenings.

My three children have all attended Kids Cottage and participated in this screening event during their preschool years.

I have always been thankful for this service, but truly never appreciated the profound impact of such screenings.

This changed when my youngest child was assessed Jan. 14. Astigmatism was detected and follow-up was strongly encouraged. We were very surprised as we had no idea his vision may be impaired.

We immediately made an appointment at the Delaware Eye Institute. His astigmatism was confirmed and bilateral hyperopia was also diagnosed. Glasses were prescribed and the physician even remarked how fortunate he was to have been seen by the Lions Club at such an early age.

Now, over three months later, wearing glasses has become second nature to my 4-year-old. He puts them on the minute he wakes up and removes them at bedtime.

Our family has adjusted to life with a busy little boy and his glasses - constantly wiping sticky fingerprints from the lenses, locating them under the swing set,

and nearly weekly frame adjustments!

And every day I feel extremely blessed that the Lions Club conducted a vision screening on my child. I cannot thank you enough for your active interest in our community and your unwavering commitment to sight preservation. You have made life clearer for my little boy and greatly impacted his future. A grateful mother.

Campus Lions Club chartered at DSU

There is a new, vibrant service group at DSU - the Delaware State University Campus Lions Club. The charter DSU Lions Club became official during a Sept. 20 program at the MLK Jr. Student Center, as the leadership and members of other local Lions Clubs attended to witness the induction of the charter members and the installation of its officers. The Lions Clubs across the country focus much of their work on the provision of blindness, aid to the blind, and help for those with vision problems. Many Lions Clubs, however, also engage themselves in many other community service endeavors. The charter DSU Lions Club began its inaugural year with 14 members. The officers are Samantha Ash and Dr. Delores Fingar Wright, from left, Charter Lion Club Governor Cheryl Jochims, assisted with the charter DSU Lions Club officers: Briana Tabak, president; Courtney McClure, vice president; Tara McCoy, secretary; Hope Brown, treasurer; Debrae Jackson, "Lion Tamer"; and Jeffrey Baggett and Leashigh Gibbs, directors. Not shown is Shanyia White, membership chair.
