PROTOCOL

Protocol is an official expression of GOOD MANNERS. The courtesy we show each other in our everyday lives affects our attitudes, or our work, and in turn how we view ourselves as human beings.

Protocol means respect for position. Protocol is a form of etiquette that we should practice regularly. Protocol is exhibiting the same level of courtesy you use at home. Not only will your guests and visitors feel welcome, it will create a dignified image of the Club and instill confidence in the Club's Officers and members. Only the principle speaker is required to acknowledge all dignitaries present.

Lions shall be recognized in the following order when seated in the audience-

- International President
- Past International Presidents
- International Directors & Appointees
- Past International Directors
- Chairperson, Council of Governors
- District Governors
- Immediate Past Council Chairperson
- Past Council Chairpersons
- Immediate Past District Governors
- 1st & 2nd Vice District Governors
- Multiple District Committee Chairpersons
- Past District Governors
- District Secretary
- District Treasurer
- Region Chairpersons
- Zone Chairpersons
- District Chairpersons
- Club Presidents
- Immediate Past Club Presidents
- Past Club Presidents
- Club Secretaries
- Club Treasurers

The president officer or meeting chairman must always be seated at the most central seat at the table when there is a central podium, shown as seat number one in the following diagram (figure 1). The principle speaker should occupy seat number two, then other Lion dignitaries in according with the general order of precedence. If possible, there should be the same

number of seats to the right and left of the chairman or presiding officer (who would normally be the Club President, District Governor, Council Chairman or International President)

As an example if there is no PID at the head table the seating assignments would be as follows for a District Governor's Official Visitation:

- | | |
|---|-----------------------|
| 1. King Lion | 6. District Treasurer |
| 2. District Governor | 7. Region Chair |
| 3. 1 st Vice District Governor | 8. Zone Chair |
| 4. 2 nd Vice District Governor | 9. Club Secretary |
| 5. District Secretary | 10. Club Treasurer |

As shown in figure 2, seating at the head table with a podium is essentially the same, except the meeting chairman or presiding officer is always seated at the left of the podium (facing the audience) and the principle speaker at the right.

When spouses are present, they should be seated to the member's left when on the left side of the table, and to the member's right when seated on the right side of the table. When spouses are present at the head table, they should be introduced with the member (e.g. Past International Director John Doe and his wife or (Lion) Jane).

OFFICIAL VISIT OF THE DISTRICT GOVERNOR
Any seating arrangement that puts like officers together will be acceptable and is preferred by the District Governor. DG & KL, VDGs & VPs, DS & CS, DT & CT

Your District Governor is required by Lions Clubs International to make at least one Official Visit to every Club within his District. Usually the Cabinet Secretary & Treasurer will accompany the DG. It is customary for their meals to be as guests of the Club. In most cases,

OFFICIAL VISIT OF THE DISTRICT GOVERNOR

(Continued)

He is the highest-ranking officer of Lions Clubs International to visit the Club during the year. On the occasion of the Official Visit, certain procedures of protocol should be followed.

1. **DO NOT** schedule other speakers during the Governor's Official Visit. He will provide the program.
2. Have your attendance committee strive to secure excellent attendance at this meeting.
3. Publicize your Governor's visit.
4. Have your District Governor properly introduced to each Lion and Lioness. Usually, the President or an officer who knows him should do this.
5. Following the opening ceremony and guest introductions: The President will introduce the zone chairperson, who will introduce the rest of the official visitation team.

The following order of Introduction should be used from the Head Table:

Club Treasurer
Club Secretary
Region Chairperson
District Treasurer
District Secretary
Vice District Governor(s)
District Governor

6. Following the meal the region chairperson will formally introduce the District Governor who will then deliver his/her address.
7. When the Governor is introduced, the Club members should stand and in a like manner should stand at the conclusion of the talk.
8. A brief Board of Directors meeting shall be scheduled following the regular meeting. The president will open the meeting and then immediately turn the meeting over to the District Governor. This is the appropriate time for your members to ask questions and participate in a discussion with the Governor.
9. The District Cabinet Secretary will confer with the Club Secretary to review Membership Reports or answer questions in regard to other reports. The Cabinet Treasurer will confer with the Club Treasurer to review financial reports, etc. and make sure all International and District bills are current.
10. Your District Governor welcomes suggestions for improvements in the administration of the District.

Lions Club International Objects

TO CREATE and foster a spirit of understanding and good citizenship among the people of the world.

TO PROMOTE the principles of good government.

TO TAKE an active interest in the civic, cultural, social and moral welfare of the community.

TO UNITE the clubs in the bonds of friendship, good fellowship and mutual understanding.

TO PROVIDE a forum for the open discussion of all matters of public interest provided, however, that partisan politics and sectarian religion shall not be debated by club members.

TO ENCOURAGE service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.

Mission Statement

TO CREATE and **FOSTER** a spirit of understanding among all people for humanitarian needs by providing a spirit of understanding voluntary services through community involvement and international cooperation.

Lions Code of Ethics

TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration of profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

WHENEVER a doubt arises as the right or ethics on my position or action towards my fellow man, to resolve such doubt against myself.

TO HOLD friendship as an end and not a means. To hold that true friendship exists not on account of the services performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

ALWAYS bear in mind my obligations as a citizen to my nation, my state and my community, and to give them my unswerving loyalty in word, act and deed. To give them freely of my time, labor and means.

TO AID my fellow men by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

TO BE CAREFUL with my criticism and liberal with my praise, to build up not destroy.

NOTES

THE LIONS CREED

He achieves success who lives well,
laughs often and loves much;

Who gains the respect of intelligent
men and the love of little children;

Who fills his niche, who accomplishes
better than he found it, whether
by an improved poppy, a perfect
poem or a rescued soul;

Who never lacks appreciation of earth's
beauty or fails to express it;

Who always sees the best in others
and gives the best that he has;

Whose life is an inspiration, whose
memory is a benediction.

HE IS A LION
