Thank you to all clubs (Lions and Lionesses) represented at the PSTM Night. Everyone was able to meet the cabinet chairs, hear about the programs that our district supports and learn more about our membership goals. Please take advantage of members of the cabinet as guest speakers. They have a wealth of information that they would love to share with your club members.

September was the month for the USA/Canada Lions Leadership Forum in San Juan, Puerto Rico. For PDG Bob and myself - it was a place to learn and to meet friends - old and new - and it had some of the best seminars anywhere around. If you haven't been to a forum before, start thinking about going next September. It will be held in Grand Rapids, Michigan.

We began our visitations this month and I was pleased to hear about all the outstanding work being done by the clubs with both service and fundraising projects. Unfortunately, what I don't see are all the clubs reporting their successes to Lions Clubs International. Please make sure you do this. Also, we had 6 clubs in July and 4 clubs in August who have not reported membership information to LCI. Please note... even if you do not ADD or DROP a member, secretaries are required to access the WMMR MYLCI reporting system every month to indicate no changes. We need to report our successes and the Activities and Membership reports on MYLCI are not optional. If you are experiencing problems putting your reports on-line, please let CS Ralph Schieferstein or myself know about it.

Elsewhere in this issue you will see an article about Membership. Please find it and read it. Imagine if there were no more Lions Clubs or we continue to drop more members than we take in. All we need to do is "ASK 1" - 1 family member, 1 neighbor or 1 friend who you know also enjoys volunteering and helping others.

This is your official call to the Governor's Ball. It will be held on December 6, 2014 at the Cavalier Country Club in Newark, Delaware. International Director Steven Tremaroli from Huntington, New York will be the guest speaker. ID Steve will also be accompanied by his wife Marianna. Mark your calendar to attend...and don't forget to place your club's ad in the program book.

Cheryl Jones, District Governor

Cruise To Service

Hello Fellow Lions, Lioness and Leo's,

Fellow Lions, this month's message is going to be short and sweet. Lion Brenda and I are in the progress of packing for the USA/Canada Forum in San Juan, Puerto Rico. Forum register, airline tickets, airport transportation, host night and MD22 breakfast have been checked off the list. Hope to see you there.

In September most of the clubs start their meeting again so we will begin the ride for this year. I love the visitations to the clubs; it gives me the opportunity to see all my friends because you are like family.

Wherever I go I always talk up Leo's because I believe in the program. On September 28th the Leo chairperson has organized the Third Leo's Leadership Training. Take note, "Bash to the Beach" will be held at Camp Barnes this year. I am a member of that committee so I would like to please ask each club to support with a donation to help with costs. These young people are your future Lion's members.

We were informed that the district has lost LIONS which put us back to where we started last year. We have a new program called Ask 1. Let's get to work so we can turn this around in a hurry. We still need to remember the importance of membership. In order to keep our District in good standing just Ask 1, join them up, and orientate them into Lionism.

Thanks for letting me serve this great organization.

Yours in Lionism,

James R. Coverdale

First Vice District Governor

The Power of Service To Others

The Centennial Lions Clubs International Logo says it all. **WHERE THERE'S A NEED THERE'S A LION.**

District Governor Cheryl has begun her formal visitations. The experience has been very positive for me. Besides a warm reception from the Clubs, I am hearing a renewed energy is building for a very successful year. The need for more members is a top priority (JUST ASK ONE), the need to continue existing fund raising activities is on the agenda. What is encouraging for me is to hear of possible new fund raising ideas. As we all know the more we get out in the community and let people know about the Lions the more successful we can be both in membership and in raising people's awareness about how we serve the needs of our local area.

The most important work we do is rarely done alone. Each of you will be called on to interact within your club and within the district to achieve your goals. Team work will make this interaction successful.

Let's strengthen the Pride and be there when there is a need.

Believe in the Power of Service to Others.

I do and I know you do as well.

MAJOR PRIVATE DONATION TO PURCHASE SCREENING DEVICE

On August 21st Region 2, Zone 1 held its first Zone Meeting. Leftover from last year's unfinished business was whether or not the Zone wanted to purchase a new Preschool screening device. A demonstration of the new PlusOptix was given, by PCC Clyde Bragg. He also shared, with the zone members, the pros and cons of the new device compared to the older SureSight.

The cost of the PlusOptix is \$5875, lowered to \$4875 if the SureSight device is traded in. It was discussed that in all likelihood the Delaware Lions Foundation would match funds we could collect from the clubs in the zone. This would still leave a bit more than \$2400 to be divided by the six clubs in the zone (including the Dover Lioness Club). At \$400 per club, this was more than most of the clubs could afford, which would leave an undue burden on the few clubs who had money in their budgets earmarked for preschool vision screening.

A solution to this budgetary problem was reached when Lions Kate and Walt Roshon of the Clayton Lions Club graciously offered to donate a whopping \$2000 towards the purchase of the PlusOptix screening device. This left the remainder within easy reach of the clubs who could afford to participate in this purchase. A motion was made and passed to purchase the machine, hopefully before the next Zone Meeting.

The members of the clubs in the zone who were in attendance were overwhelmed at the generosity of Lions Kate and Walt. Without their help, it would have been nearly impossible to update our screening program. The Pride is surely strengthened by their commitment to this program.

2014 USA/CANADA LIONS LEADERSHIP FORUM

This year's Forum was held in *beautiful* Puerto Rico. The number of Seminars was increased to include a few held on the first day.

We had 22 members from 22D attending!

Pictured below are some of the attendees.

More about the forum to come in October's Issue!

PRESIDENT, SECRETARY, TREASURER MEMBERSHIP DINNER

Information was given to all in attendance regarding the International Theme for this year, Membership Growth Awards and the Centennial Service Challenge. DG Cheryl spoke about her goals for the year and reminded us to all **ASK 1** to join our club.

IPDG Mary Lee presented numerous 100% Secretary and 100% Treasurer Awards from her year. Secretaries Gail Krebs and Carolyn Rafino received Ralph Helm Silver Upgrades from the District.

Leader Dog News

Dear Fellow Lions,

Seventy-five years ago, Leader Dog was founded by three Detroit-area Lions club members. Working together, the Lions family and Leader Dog team have changed the lives of more than 14,500 blind or visually impaired clients worldwide.

The process starts in the Leader Dog kennel in Rochester Hills, Michigan. It is here that the Leader Dog team breeds future Leader Dogs, cares for young puppies and prepares the dogs for lifelong partnerships with people who are blind. Lions are an integral and invaluable part serving as breeding host families, puppy raisers, donors and advocates for the program.

The kennels are a key component to the Leader Dog program. The newest facility, built in 1992 (and the oldest in 1968) no longer meets today's needs. The last 20 years have witnessed dramatic changes in breeding techniques, the type of dog needed for clients, the kenneling environment and training techniques. Leader Dogs for the Blind has created a redesign of the kennel into a Canine Development Center--a critical component to meet current and future mission needs.

Just as Lions did 75 years ago, once again we will play a key role. Leader Dog needs our support to fund this project. Success depends on our committed leadership and involvement, and yet, we must continue to promote Leader Dog's mission and strengthen our community-based outreach and referral efforts.

Through our participation as Lions in Leader Dog's campaign, we have the power to continue to make a difference as we have for 75 years. It all begins with you.

Sincerely,

Lion Bill Hansen

Glasgow Lions

The Glasgow Lions held a summer retreat at the Glass Kitchen on 15 July to prepare for the incoming Lions year. KL Bill Georgov led the discussion. Treasurer Keith Thompson presented a budget that was discussed and approved. We also approved a \$5 a year dues increase. This is primarily due to the fact that our meals have been costing \$14.50 for the last several years but the members have only been charged \$14 -- the club has been losing money on the deal. Dues now will be \$120 a year with \$2 off on meals at meetings.

5 of our able-bodied muscle Lions recently met at our medical equipment shed at Beesons to load the monster of all hospital beds onto Lion Al's trailer. Lions Mark Freidly, Al O'Neill, Roy Palo, Ed Short and KL Bill Georgov made quick work of the extremely heavy, what appears to have been, custom made motorized hospital bed. Lion Al took the bed to the Appalachia region.

Capitol City Lions

During our last fundraiser, August 9-10 at the Camden Redner's, we raised \$337.50 for White Cane Days and sold 77 car raffle tickets for \$130.

The Capitol City Lions collected 164 pairs of used eyeglasses for recycling during August. We also delivered 19 pounds and 15.45 ounces of food items to the pantry.

We had four lions participate in our road clean-up on 6 September. A nice cool day for Lions James Cayz, Warren Fairess, Mel Castell and Mel Nace who collected six bags of trash.

Six lions (James & Denise Cayz, Kay and Mel Castell, Warren Fairess, Mel Nace) participated in the Texas Roadhouse fundraiser on 4 September. We have collected \$116.00 so far to add to our Activities fund.

Club Happenings

Clayton Lions

The Clayton Lions Club has been able to put a smile on 4 first graders this year. HOW??

Well , the club was able to take \$100 and purchase the 4 back packs pictured on the right, and all the supplies that need to go into them. This was done with guidance from the Clayton Elementary School. This is the second time the club has done this project.

Fenwick Island Lions

Our Meals on Wheels program continues to hum along under the capable leadership of Larry Kovacs and still others have been busy rebuilding our aluminum can collection cages and collecting cans to be recycled.

On August 5th, a great group of Lions volunteered at the concession stand at the Senior League World Series, which this year had a total of five games broadcast on ESPN. It is always an inspiration to see all these young athletes from literally around the world!

Shown are Lions Sharon Schoonover, Jean Bertram, John Pittman, Carol Miles, Bruce Schoonover, Carol & Tom St Clair.

Claymont Lions

Our first fundraiser of the year is the **Fall White Cane Days** event from **Thursday, September 25** thru **Sunday, September 28** at Dunkin Donuts and Super Fresh.

Please consider a contribution to his efforts.

Club Happenings

Laurel Lions

The week of August 4th, **Lion Jim Littleton** put together a team of Laurel Lions to volunteer at the Girls World Series event in Roxanna, Delaware. Service included providing security to the teams and fan transportation to and from the parking lot.

On August 2nd, the Laurel Lions scheduled a family night at the Shorebirds Stadium to view a game and to enjoy the after game fireworks. The game was cancelled due to previous weather, but the fireworks went on and were enjoyable. 24 Lions and guests attended. Some of them are pictured on the right.

The Laurel Lions are currently working on our first major project for the year. The "**Fall Sports Program Book.**" Thanks to all that have sold ads for the book.

Millsboro Lions

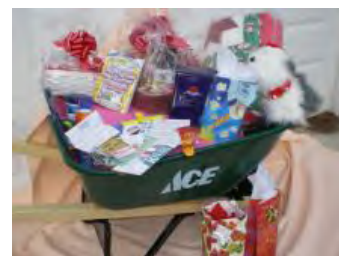

As some of you have already heard, we are planning a Variety Show in May for our 75th Anniversary - and expect to have a lot of FUN doing it! We are seeking talent from within the Club, as well as others around the area. Specifically, we are searching for musical acts (singing and/or playing instruments) and comedy skits. Please contact chairperson, 1VP Mitch Rogers, to select your role in the show; and to suggest any outside entertainers you may know.

Lion Ted has secured permission to have Vision Day collection at the Giant Food Store, Long Neck two Saturdays - October 11 and 25 from 10 to 2. Please contact him to sign up to help with this.

The coupons entitle the holder to a 25% discount on items purchased all day on Tuesday, October 21st at any Boscov's. **The entire \$5 stays with us!** These coupons make a great gift, especially for family, friends and neighbors who you know enjoy shopping and getting a bargain.

On August 10th and 18th, seven of the Lord Baltimore Lions provided their traditional cook-outs for the Special Olympic Athletes at Camp Barnes each day. What a rewarding experience it is for the Lions to contribute in a small way to the success of these camps. We cooked 210 hamburgers and 60 hot dogs between the two cook-outs. All the amenities are provided and prepared by the camp.

Lion Richard Jesneck reported about 8000 chances for the car raffle have been sold so far this year.

LOVRNET

Fellow Lions,

The Lions Low Vision Rehabilitation Network (LOVRNET) is about to go into high gear. The first aspect of the program is to have trained and certified Lion interviewers make calls to referred low vision patients and interview them. To become a trained and certified LOVRNET interviewer, a Lion is required to take a Health Insurance Portability & Accountability Act (HIPAA) certification exam and also a course provided by the LOVRNET office. Both will be available on the Internet. Once certified, a Lion will be on the list to receive referrals of low vision patients who qualify for rehabilitative care. The calls will be made from home. Questions to be asked the patient are provided via the Internet and will appear on the Lion's home computer screen. The interviews take about an hour, or perhaps a bit longer. (Sometimes the patient may want to spend some time explaining certain problems, which will extend the time.)

Certified LOVRNET interviewers are expected to be computer literate, have a pleasant telephone personality, and be empathetic with patients. Since the calls will be made from home, prospective interviewers need a home computer and telephone.

As chairman of the Low Vision Patient Interview Program, I seek to enlist 20 willing Lions per sub-District, with a goal of 100 certified LOVRNET Interviewers. The number of referrals in the first year is expected to be very high, and each interviewer may expect to make about 20 calls per month.

If you are willing to volunteer, please let me know and we will arrange for you to take the HIPAA compliance course via your home computer as soon as possible. The course takes about 30 minutes.

Blowing the Whistle for 22D

Hi !

I am the mascot for the Laurel Lions Club, Leo . Each week I "roar" about our Lions Club and Lions in general. The article is published in the local paper, The Laurel Star. This gives the Lions an opportunity to blow their whistles, as D.G. Cheryl would say. Public Relations is important in any organization to keep people informed. It also gives us a chance to communicate what is happening in our club as to projects and more. The article never mentions anyone's name therefore there are no conflicts with the club members. I am "roaring" you all this as I have an idea. The idea is to get all clubs in the district to get their mascot involved in having a Lions Den article in a local paper or some form of media. These sources of media will do this at no charge as it is a public service announcement. There are so many things you can make the public aware of about the Lions in your area. This is important to growing your club when the public knows what you're doing. It also gives an opportunity to "roar" about our Leos and get the youth involved as future Lions.

Keep watching, I have many more ideas to "roar" about!

Leo

Education

LIONS CLUB SCHOLARSHIP - Rosa Janvier received the Seaford Lions Club 2014 Scholarship in the amount of \$1,000 from Lions' president and chairman of the Scholarship Committee, Jim Blackwell. Rosa, who plans to attend the University of Delaware and major in biochemistry, was the unanimous choice of the Scholarship Committee despite the many very qualified applicants. The Lions Club was pleasantly surprised that a student from another country could come to Seaford and graduate in a few short years as one of the top students in the class of 2014 with near perfect skills in English. All of the Lions felt Janvier deserved special recognition. The Seaford Lions Club has awarded a scholarship for over 80 years with the amount of scholarships garnered from proceeds from community support and club member donations for a total approaching \$200,000.

MILTON RESIDENT CELEBRATES A CENTURY WITH A TRAIN RIDE

SUBMITTED PHOTO

AT THIS YEAR'S HORSESHOE Crab and Shorebird Festival, the Milton Clipper Express had a special rider, Margaret McFarlane, who is shown with her son, Bruce McFarlane. Margaret will be 100 years old July 17, and she was the oldest rider ever on the Milton Lions Club train that runs in the town park. "I had the time of my life riding the train," she said. The Milton Clipper Express had almost 1,000 riders that day to kick off the Lions Club fundraising events.

F is for **FELLOWSHIP**: Plan social activities for club members to build the bond of fellowship between them.
G is for **GROW**: Look into ways your club can grow this year. Consider one of the new extension opportunities such as a New Century Lions Club, Club Branch, Lioness Lions Club, or Campus Club.
